### Proposed Action

That the Metropolitan Council:

1. Adopt the attached Review Record and allow the City of Eagan to place the Senior Living Comprehensive Plan Amendment (CPA) into effect.
2. Find that the amendment does not change the City's forecasts.
3. Advise the City to implement the advisory comments in the Review Record for Housing and Transit.

### Background

The amendment proposes to reguide 7.9 acres from Business Park to High Density Residential for the development of a 176-unit senior care facility. The development will include memory care, independent living, and assisted living apartments and is located in the NE quadrant of Lexington Avenue and Yankee Doodle Road (Figure 2).

The Council reviewed the City's Comprehensive Plan Update (Review File No. 20606-1, [Business Item: 2010-91](#)) on February 12, 2010. This is the City's 28<sup>th</sup> amendment since the review of the Update.

### Rationale

The proposed amendment conforms to regional system plans; is consistent with Council policies; and is compatible with the plans of adjacent local governments, school districts, and affected special districts.

### Thrive Lens Analysis

The proposed amendment is reviewed against the land use policies in *Thrive MSP 2040*. To achieve the outcomes identified in *Thrive*, the metropolitan development guide defines the Land Use Policy for the region and includes strategies for local governments and the Council to implement. These policies and strategies are interrelated and, taken together, serve to achieve the outcomes identified in *Thrive*.

## City of Eagan Senior Living Comprehensive Plan Amendment

Review File No. 20606-29, Council Business Item No. 2018-161

### BACKGROUND

The City of Eagan (City) is approximately 34 square miles and is located south of the Minnesota River in Dakota County. It is bordered by Mendota Heights and Sunfish Lake on the north, Inver Grove Heights on the east, Rosemount and Apple Valley on the south, and Bloomington and Burnsville on the west (Figure 1).

Consistent with the policies adopted by the Council in June 2014 ([Business Item 2014-143](#)) regarding review of local comprehensive plans, this amendment is being reviewed under *Thrive MSP 2040* and its policy plans.

*Thrive MSP 2040* (Thrive) designates Eagan with a “Suburban” community designation. The Council forecasts from 2016 to 2040 that the City will grow from 68,223 to 72,300 population; and from 26,923 to 30,000 households. The Council also forecasts that between 2017 and 2040 the City’s employment will increase from 58,335 to 69,300 jobs.

The Council reviewed the City’s Comprehensive Plan Update (Review File No. 20606-1, [Business Item 2010-91](#)) on February 12, 2010. This is the City’s 28<sup>th</sup> amendment since the review of the Update.

### REQUEST SUMMARY

The amendment proposes to reguide 7.9 acres from Business Park to High Density Residential for the development of a 176-unit senior care facility. The development will include memory care, independent living, and assisted living apartments. The site is currently undeveloped with significant topography change and some mature trees and is located in the NE quadrant of Lexington Avenue and Yankee Doodle Road (Figure 2).

### OVERVIEW

<b>Conformance with Regional Systems</b>	The amendment conforms to the Regional System Plans for Parks, Transportation (including Aviation), and Wastewater, with no substantial impact on, or departure from, these plans.
<b>Consistency with Council Policies</b>	The amendment is consistent with the <i>Thrive MSP 2040</i> . The amendment is consistent with the <i>Housing Policy Plan</i> , with water resources management, and is consistent with Council forecasts.
<b>Compatibility with Plans of Adjacent Jurisdictions</b>	The amendment will not have an impact on adjacent communities, school districts, or watershed districts, and is compatible with the plans of those districts.

## ISSUES

- I. Does the amendment conform to the regional system plans?
- II. Is the amendment consistent with *Thrive MSP 2040* and other Council policies?
- III. Does the amendment change the Township's forecasts?
- IV. Is the amendment compatible with the plans of adjacent local governmental units and affected jurisdictions?

## ISSUES ANALYSIS AND FINDINGS

### *Conformance with Regional Systems*

The amendment conforms to the regional system plan for Regional Parks, Transportation, and Wastewater, with no substantial impact on, or departure from, these system plans. Additional review comments are included below.

### **Regional Parks**

*Reviewer: Raya Esmaeili (651-602-1616)*

The proposed amendment is complete for regional parks review and conforms to the *2040 Regional Parks Policy Plan* (RPPP). The amendment site is more than 0.5 mile from any regional parks system component.

### **Transportation**

*Reviewer: Russ Owen (651-602-1724); Steve Mahowald (612-349-7775)*

The proposed amendment conforms to the *2040 Transportation Policy Plan* (TPP). The proposed senior living development will not have an impact on the existing transit or transportation network. The

memory center is within 4 miles of the MSP International Airport; however, the site is not within the noise exposure zones.

### **Advisory Comments**

Council staff encourage the City to ensure sidewalk connections to the trails on Yankee Doodle Road and Lexington Avenue South and along Discovery Road to support the sustainability and active lifestyles goal identified in the City's comprehensive plan.

Additionally, Council staff recommend that the City coordinate with MVTA staff regarding the potential move of the Route 445 stop now located on eastbound Yankee Doodle near side of Discovery Road to far side of Discovery Road. If MVTA operational staff approve, it would benefit future residents of this development.

### **Wastewater**

*Reviewer: Roger Janzig (651-602-1119)*

The proposed amendment conforms to the *2040 Water Resources Policy Plan*. The Metropolitan Disposal System has adequate capacity for this project at this location.

### **Consistency with Council Policy**

The amendment is consistent with Council policies for land use, forecasts, housing, and water resources. Additional review comments regarding consistency with those policies are detailed below.

### **Forecasts**

*Reviewer: Todd Graham (651-602-1322)*

The proposed amendment is consistent with Council forecasts. The City offers that the plan amendment does not affect the community-wide forecast. Council staff agree with this assessment. The development at this site contributes to already forecasted growth in the City. A community-wide forecast adjustment is not needed.

### **Land Use**

*Reviewer: Raya Esmaeili (651-602-1616)*

The amendment is consistent with the land use policies in *Thrive MSP 2040*, which identifies the City as a Suburban community. *Thrive* directs Suburban communities to plan for residential land uses at a minimum average density of 5 units per acre.

The proposed amendment re-guides a 7.9 acres from Business Park to High Density Residential for the development of a 176-unit senior care facility. The development will include memory care, independent living, and assisted living apartments. The site is currently currently undeveloped with significant topography change, areas that are heavily treed with some mature trees. The site is located in the NE quadrant of Lexington Avenue and Yankee Doodle Road (Figure 2).

As shown in Table 1, the City's planned residential density will be 6.7 units per acre with the proposed amendment (changes are underlined), consistent with Council policy.

**Housing**

*Reviewer: Tara Beard (651-602-1051)*

The proposed comprehensive plan amendment is consistent with the Council’s policies for housing. The City currently provides sufficient land to address its share of the region’s 2011-2020 need for affordable housing, which is 884 units. The proposed amendment increases the City’s inventory of land guided to promote the development of low- and moderate-income housing. After this amendment, the City will be guiding more than 160 acres of mixed use and high-density residential land such that at least 2,280 units could be built.

The City participates in Livable Communities Act programs, but has not applied for or received grants in over five years. The most recent affordable housing development in the City, Lakeshore Townhomes, consisted of 50 townhomes that were completed in 2015.

**Advisory Comments**

The City should be aware that its share of the region’s 2021-2030 need for affordable housing is 472 units. In preparing the 2040 comprehensive plan update, the City should note that the minimum density of land guided to address this need is 8 units per acre. The City is encouraged to contact their Sector Representative or Council housing staff with any questions regarding the Council’s housing policy for the 2040 comprehensive plan update.

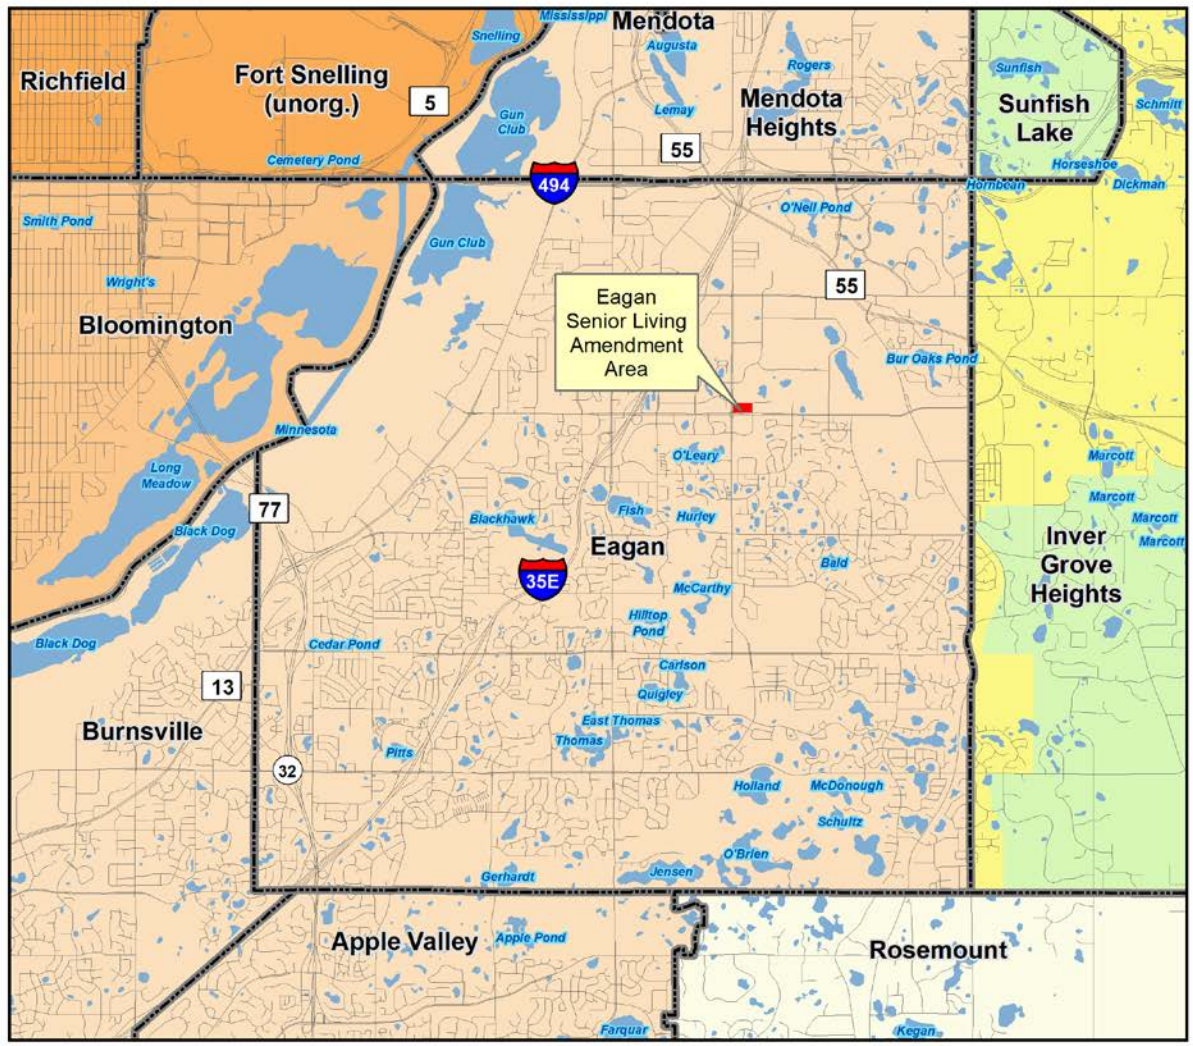

**Compatibility with Plans of Adjacent Governmental Units and Plans of Affected Special Districts and School Districts**

The proposed amendment is compatible with the plans of adjacent jurisdictions. No compatibility issues with plans of adjacent governmental units and plans of affected special districts and school districts were identified.
