Background

On October 24, 2018, the Council approved Business Item 2018-271 authorizing the Regional Administrator to submit grant applications to the Funding Transitway Counties for 2019 funding. All submitted grant applications were reviewed and approved by the Funding Transitway Counties. This proposed action will allow agreements to be executed with the Funding Transitway Counties to accept the grant awards.

All county operating grants are subject to standard conditions including narrative and financial reports.

Rationale

County operating grant funds will provide up to 50% of the net cost of transitway operations for the calendar year 2019.

Thrive Lens Analysis

Stewardship – Operating projects fall with the parameters of the Counties Master Funding Agreement and demonstrate efficient and effective management of public financial resources of both the Council and Counties.

Funding

The County Funding is included as part of the 2019 operating budgets adopted by the Council on December 12, 2018.
