

Concurrence on 2018 Regional Solicitation Project List

Metropolitan Council:
February 13, 2019

Regional Solicitation

- On 1/16, TAB approved allocation of \$200M of federal transportation funds for projects in 2022/2023
 - Includes 10% overprogramming
- On 1/28, the Transportation Committee recommended concurrence on including the projects into the draft Transportation Improvement Program (TIP)

Regional Solicitation

- Funded 57 total projects, including two unique projects:
 - Saint Paul's Electric Vehicle Charging Stations and Carsharing Vehicles
 - Council's Regional Model/Travel Behavior Inventory

Strong Linkage to Regional Policy

- Qualifying criteria also ask applicants to document consistency with regional policy

Scoring Process

- Scoring committees made up of 60 technical experts representing agencies throughout the metro
- Scoring of projects is an open, transparent, and data-driven process
- Applicants had an opportunity to appeal their scores in front of the Funding & Programming Committee

Regional Solicitation Stats

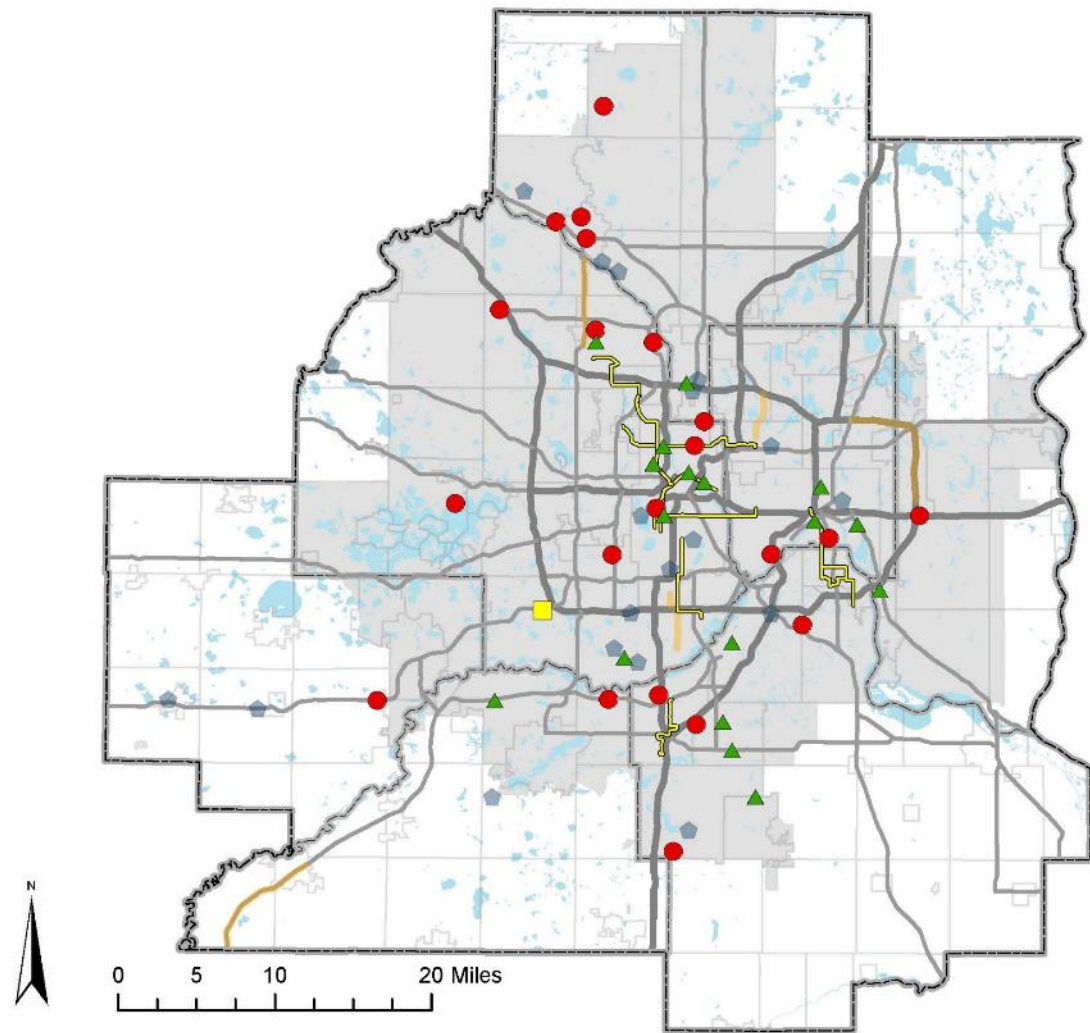

- 57 projects funded out of 137 submitted (42%)
- \$200M funded out of \$419M requested (48%)
- \$200M of federal funds will leverage \$207M in local funds, totaling \$407M of projects

Unmet Need:

- The \$419M requested overall would have leveraged \$344M in local funds, totaling \$763M

57 Projects

- Projects in all 7 counties
- Projects in 37 different cities and townships
