

Community Development Committee Report

For the Metropolitan Council meeting of August 26, 2020

Subject: Park Acquisition Opportunity Fund Grant for Lake Rebecca Park Reserve (Ahrens), Three Rivers Park District

Proposed Action

That the Metropolitan Council:

1. Approve a grant of up to \$727,500 to Three Rivers Park District to acquire the 15.14-acre Ahrens property located at 8680 Rebecca Park Trail in the City of Greenfield for Lake Rebecca Park Reserve.
2. Authorize the Community Development Director to execute the grant agreement and restrictive covenant on behalf of the Council.
3. Consider reimbursing Three Rivers Park District for up to \$242,500 from its share of a future Regional Parks Capital Bonding Program for costs associated with their local match.
4. Inform Three Rivers Park District that the Council does not under any circumstances represent or guarantee that the Council will grant future reimbursement and that expenditure of local funds never entitles a park agency to reimbursement.

Summary of Committee Discussion/Questions

Jessica Lee, Senior Parks Planner, presented this Park Acquisition Opportunity Fund grant request to the Community Development Committee at its meeting on August 17, 2020. There were no questions and the Committee approved the proposed actions unanimously.

Summary of Committee Discussion/Questions

Jessica Lee, Senior Parks Planner, presented the staff report to the Metropolitan Parks and Open Space Commission at its meeting on August 13, 2020. Kelly Grissman from Three Rivers Park District was in attendance and responded to questions. Emmett Mullin, Regional Parks Manager, also responded to questions.

Commissioner Cecily Harris asked about proposed action item number three, future reimbursement. Chair Tony Yarusso explained that policy allows the agencies to be reimbursed for their local match in a future bonding program as long as the agency requests permission prior to acquiring the property. Additionally, Commissioner Harris asked when the Council will know more about state funding reductions due to COVID-19 for this year. Emmett Mullin responded that we are still waiting on our final reduction amounts from Minnesota Management and Budget. While we are anticipating a small reduction of around 6%, we are being extra cautious to make sure we stay within our appropriation amount, and as such are using Council funds for this grant.

Commissioner Todd Kemery asked if the landowner was still residing on the property, and if the business was still operating. Grissman responded that the landowner plans to move by the end of October, and that all horses will be moved from the property by September. Three Rivers Park District will then evaluate which buildings they will be able to salvage, and which ones will be removed. Commissioner Kemery also asked if there were existing equestrian trails at Lake Rebecca Park Reserve, and if this property would add to them. Grissman responded that yes, the park reserve has existing equestrian trails at this unit, but that they wouldn't easily link up to this property. She also noted that the existing equestrian trails meet the user demand for the park.

The Metropolitan Parks and Open Space Commission voted unanimously to recommend the proposed action.

Background

Park Acquisition Opportunity Fund (PAOF)

The Council's Park Acquisition Opportunity Fund (PAOF) provides funding to purchase property and easements via two state sources: the Parks and Trails Legacy Fund (PTLF) and the Environment and Natural Resources Trust Fund (ENRTF). The Council contributes by matching every \$3 in state funds with \$2 in Council bonds. The \$3 to \$2 match is required at the program, not individual project, level. This project will be funded with 100% bond funds and future projects will be funded exclusively with state funds. This approach is being implemented to mitigate potential future reductions in state funds due to COVID impacts.

State and Council funds contribute up to 75% of the purchase price and eligible costs; the Regional Park Implementing Agency (Agency) contributes the remaining 25% as local match.

Regional Park Implementing Agency (Agency) and Location

Three Rivers Park District requested this grant on June 5, 2020. A copy of the Agency's request is attached to this item as Exhibit 2. Lake Rebecca Park Reserve is on the western edge of Hennepin County.

Project budget

The appraised value of the property is \$720,000, and the Seller has agreed to 100% of the appraised amount. The total project cost including legal fees, taxes, and stewardship is \$970,000, as shown below.

Table 1. Project budget

Budget item	Requested amount
Purchase price	\$720,000
Holding and closing costs, appraisal, taxes	\$22,800
Phase I environmental site assessment	\$2,200
Stewardship (including building removal and site restoration)	\$225,000
Total costs	\$970,000
Grant structure	
Grant amount (Council bonds)	<u>\$727,500</u>
Local match	\$242,500

Council Review

Council staff conduct review of each PAOF request on a first-come-first-served basis under the following standards:

- the proposed acquisition complies with state statute and Council policy
- all necessary documentation for the acquisition is in place
- the appraisal is reasonable and appropriate

Subject Property

The subject 15.14-acre property is within the Council-approved boundary of the Lake Rebecca Park Reserve. The property is bordered by the Crow River to the northwest and has 855 linear feet of shoreline, along with 2 acres of wetlands. The property has been used as a horse boarding and training facility. There are several buildings that will be removed, including a house built in 1910, a studio apartment, garages, and an equestrian facility. Existing barns will be used for storage if possible. Once the non-usable buildings are removed, the site will be restored to its natural forested state.

Acquisition Details

This is a straightforward, fee simple transaction. There are no easements or lease constraints.

Rationale

This acquisition is consistent with:

- The *2040 Regional Parks Policy Plan*
 - Planning Policy Strategy 1 requires that before an Agency can receive a grant for acquisition, the proposed project must be consistent with a Council-approved master plan. The master plan for Lake Rebecca Park Reserve was approved in 1970. The proposed acquisition is consistent with the approved plan.
 - Siting and Acquisition Strategy 1 requires that lands with natural resource features, access to water, and/or restoration potential will be a priority for the Regional Parks

- System. The property recommended for acquisition will be restored to its natural state and added to the existing natural resource features of Lake Rebecca Park Reserve.
- Finance Strategy 7 authorizes the use of PAOF as the funding mechanism for the acquisition of Regional Park lands and matching every \$3 in state funds with \$2 in Council bonds.
 - All requirements of PTLF and the 2021 appropriation. This funding aligns with the goals of the 25-year, Parks and Trails Legacy Plan, strategic direction of “Acquire land – create opportunities.”

Thrive Lens Analysis

This request is consistent with Thrive’s Livability and Stewardship outcomes. The Council’s investment in Lake Rebecca Park Reserve will provide additional access to outdoor recreation, enhance quality of life, and further protect natural resources.

Funding

The Council will fund this grant through Council Bonds. Funds are available in the Council’s Authorized Capital Program.

Three Rivers Park District will provide a local match of \$242,500.

Future reimbursement consideration

The Agency is requesting that the Council consider reimbursing its local match of \$242,500 for this acquisition at some point in the future through the Regional Parks Bonding Program. A request for “future reimbursement consideration” is the first step in a process Agencies may use to request repayment of their match amount in a future bonding cycle. The Council is under no obligation to reimburse this amount.

Known Support / Opposition

There is no known opposition.

Dear Emmett,

Three Rivers Park District respectfully requests a Park Acquisition Opportunity Grant for Lake Rebecca Park Reserve (Lake Rebecca) in the amount of approximately \$727,500 for acquisition of 15.14 acres located in the City of Greenfield. Please process this request and forward to the Metropolitan Parks Open Space Commission, Community Development Committee and Metropolitan Council for consideration and approval.

Background Summary

John Gibbs
District 5

Staff have been working with the property owner since late 2018 when the property owner first reached out to Three Rivers to explore selling their property to Three Rivers. Staff worked with the owner to develop a relationship, monitor the property value and walk through the acquisition process so when the property owner was ultimately ready and comfortable to sell, Three Rivers would be in a strong position to move forward with acquisition. This effort and resulting relationship has paid off as Three Rivers and the property owner successfully negotiated a purchase agreement reflective of the appraised value.

The additional 15.14 acres, located directly on the Crow River and proposed for inclusion has comparable natural resources value to Lake Rebecca parkland already owned by Three Rivers. In addition, this is one of the last remaining inholdings in Lake Rebecca Park Reserve.

Natural Resource Summary

The subject property is currently used as a horse boarding and training facility and includes many outbuildings, large stable with indoor riding arena, gravel parking, a residential structure, pasture and manure storage area. The property is completely surrounded by Lake Rebecca Park Reserve with the exception of about 855' in the northwest corner which is Crow River frontage. The built portion of the property is generally clustered together in the southwest corner of the property with the greater area mostly open and surrounded by mature trees.

Three Rivers is currently evaluating the structures to determine if any offer reuse opportunity particularly for storage. Buildings without reuse potential will be removed and the area returned to natural open space increasing its natural resources value and supporting the adjacent Lake Rebecca natural resources. The park master plan calls for the majority of the park to be restored into a Big Woods forest composition and this property will likely follow suit.

Funding Request and Timing

Three Rivers requests FY2021 Parks and Trails Legacy Fund and Metropolitan Council acquisition funding consideration at the Council's earliest opportunity in preparation with a pending closing date of October 2020.

Thank you for your continued assistance through this process.

Structures currently on the property

Does the property contain ANY structures? Yes

If yes, are there any habitable structures? Yes

Does the property currently contain any revenue-generating businesses? Yes

If yes, what is the plan for the structure(s)?

The current plan is to demolish the house and attached apartment. Staff will be walking the property to see if we can reuse the barns for storage. If they are not in good working order, they will be demolished as well.

If there are habitable structures, could they be relocated? If yes, how? If no, why not?

The house is habitable. However, the owner does not have any interest in keeping the house and Three Rivers is not in the business of selling and moving houses. It would cost more to relocate than to demolish.

If the property contains habitable structures or revenue-generating businesses, describe:

The property has a house, garages, stable, barns, and a garage that has been turned into an apartment. The current owner boards horses at his facility throughout the year, which is his business. He is retiring from his business, which is why he contacted us to purchase his property.

For ENRTF funding only

If this will use ENRTF funding, LCCMR rules require that you describe the selection process used to identify these proposed parcels.

NOTICE: ENRTF funding has specific requirements for disseminating information to the public when property is purchased through the Trust Fund. It is the agency's responsibility to meet those requirements and to provide documentation to the Council BEFORE payment will be made.

Stewardship and minimal access

Describe the stewardship plan.

The subject property is currently used as a horse boarding and training facility and includes many outbuildings, large stable with indoor riding arena, gravel parking, a residential structure, pasture and manure storage area. The property is completely surrounded by Lake Rebecca Park Reserve with the exception of about 855' in the northwest corner which is Crow River frontage. The park master plan calls for the majority of the park to be restored into a Big Woods forest composition and this property will likely follow suit.

How will the stewardship implementation be funded?

With State, Metro, and Three Rivers Park Districts funds.

Are you requesting funds to provide minimal access to the property (prior to it being open to the public) as part of this grant request? No

If yes, how will those funds be used?

**THREE RIVERS PARK DISTRICT
SPECIAL MEETING**

Meeting Date: 06/04/20 Business Item: New Item Number: **6G**

Division: Planning, Design & Technology Originating Source: Jonathan Vlaming, Assoc. Supt.

Agenda Item: Lake Rebecca Inholding Acquisition Purchase Agreement

Superintendent's Recommendation:

MOTION TO APPROVE A PURCHASE AGREEMENT IN THE AMOUNT OF \$720,000 FOR THE ACQUISITION OF 8680 REBECCA PARK TRAIL LOCATED IN THE CITY OF GREENFIELD WITHIN LAKE REBECCA PARK RESERVE AND TO ESTABLISH A PROJECT BUDGET IN THE AMOUNT OF \$970,000 WITH LOCAL FUNDING FROM THE LAND ACQUISITION, DEVELOPMENT AND BETTERMENT FUND.

The following information was prepared by Kelly Grissman, Director of Planning

Background Information:

Park District staff have been working with the property owner of 8680 Rebecca Park Drive in the City of Greenfield, a critical inholding at Lake Rebecca Park Reserve, for about a year and half (***Reference 6G-1***). This 15.14-acre property is an active horse boarding facility directly on the Crow River with a residential structure, large stable, numerous outbuildings and fenced pastures and riding areas. The property also includes manure storage which is customary for this type of property use and is something Three Rivers natural resources staff would like to see removed from the property due to its proximity to the Crow River. The property has X,XXX feet of frontage along the Crow River, and is surrounded by Three Rivers land on all sides, not including County Road 50 right-of-way.

The property was recently appraised, and the owner is now interested in selling. Due to its status as a critical inholding, and availability of acquisition grant funding, staff immediately prepared a purchase agreement reflecting the appraised value of \$720,000 which was signed by the property owner and is now available for Board consideration and approval (***Reference 6G-2***).

Consistent with other purchase agreements, the purchase agreement includes several standard contingencies to reflect acquisition rules and processes Three Rivers is required to follow, including but not limited to, municipal consent, partial funding by the Metropolitan Council, environmental assessment and similar. Staff will reach out to Greenfield to commence the municipal consent process immediately following Board approval of the purchase agreement.

Due to the timing of the appraisal, quick turnaround of the purchase agreement and the rescheduled Board meeting, staff are still evaluating the demolition and long-term stewardship plan for the property. Staff are evaluating the buildings to determine if any can be saved for storage, as this is a Park District need in this area. In addition, staff still need

to conduct an environmental assessment and determine if the City is interested in conducting practice burns for any of the buildings that may be slated for removal. These variables, as well as the number of buildings on the property, call for establishing a more conservative project budget for all related acquisition costs in the amount \$250,000 for a total project budget of \$970,000.

Funding

The estimated total acquisition cost of \$970,000 includes the purchase cost, appraisal, environmental assessment work, land stewardship/demolition/restoration, legal fees and title commitment/insurance. The acquisition is eligible for up to 75% (\$727,500) reimbursement from the Metropolitan Council Park Acquisition Grant Fund. The Metropolitan Council's current funding capacity is about \$1 million. This is adequate to support this acquisition; however, it is critical to request acquisition funding support as soon as possible as the funding is operated on a first come, first serve basis. This is why staff recommend moving forward with the acquisition and determination of the project budget prior to the finalization of the demolition and stewardship scope of work.

The balance (\$242,500) of the acquisition funding will come from the Land Acquisition Development and Betterment fund which has adequate balance to support this funding request.

Similar to other acquisitions, staff will request that the local match be eligible for future reimbursement from the Metropolitan Council's Capital Improvement Program.

MOTION ADOPTED

PURCHASE AGREEMENT

THIS PURCHASE AGREEMENT ("Agreement") is entered into by and between **Three Rivers Park District**, a public corporation and political subdivision of the State of Minnesota ("Buyer") and **Gaylord L. Ahrens Et. Al Trust**, ("Seller").

RECITALS

WHEREAS, Buyer is a political subdivision of the State of Minnesota, whose primary duties are acquisition, development and maintenance of large parks, wildlife sanctuaries or other reservations, and means for public access to historic sites and to lakes, rivers and streams and to other natural phenomena, and to acquire, establish, operate and maintain trail systems; and

WHEREAS, Seller owns property located at 8680 Rebecca Park Trail, Greenfield, Minnesota, legally described on Exhibit A hereto ("Subject Property"), containing approximately 15.14 acres; and

Buyer shall pay its prorated portion of the real estate taxes from and after the date of Closing. Real estate taxes payable in the years prior to Closing shall be paid by Seller on or before the date of Closing. Real estate taxes payable in the years subsequent to Closing shall be paid by Buyer.

It shall be assumed that the Buyer will own the property for the entire date of the Closing.

7. Damages To Real Property. Except for Buyer's inspection activities pursuant to Section 8(d), if there is any loss or damage to the Subject Property between the date hereof and the date of Closing, for any reason, the risk of loss shall be on the Seller. Seller shall notify Buyer of loss or damage to the Subject Property promptly upon such occurrence. If the Subject Property is destroyed or damaged before the Closing, this Agreement shall become null and void, at Buyer's sole option. 8. Title and Documents.

(a) Documents and Information to be provided. Within 15 days after the acceptance of this Agreement by the parties hereto, Seller shall provide Buyer with the following:

If title is not made marketable within 90 days, this Agreement shall be null and void at the sole option of Buyer and neither party shall have any further obligation under this Agreement.

(d) Inspections; Document Review. With respect to all of the above items other than the title documents, Buyer shall have 90 days after delivery of the foregoing to Buyer during which to inspect all such items. Further, Buyer may inspect the Subject Property and conduct such other and further inspections or other review as seems necessary by Buyer during such period. If such review and/or inspection by the Buyer shall be unsatisfactory to Buyer, Buyer shall notify Seller within such time period, and this Agreement shall be null and void at the sole discretion of the Buyer. If said period should expire without notice of Buyer's intention to terminate this Agreement, then this Agreement shall be considered in full force and effect and Buyer shall be deemed to have waived any objections based upon such review and inspection. Seller hereby grants Buyer and/or its agents the right to enter upon the Subject Property for the purpose of inspection and to prepare topographical studies, planning, surveys, soil tests and other engineering studies, and environmental inspection and testing that may be deemed necessary; provided however that Buyer shall pay all costs thereof and shall protect, defend, indemnify, save and hold Seller and Subject Property harmless from and against any and all costs, damages and liabilities arising from entry upon inspection or testing of Subject Property, including but not limited to costs, damages and liabilities arising from mechanics, materialmens and other liens filed against Subject Property in connection with work performed or material furnished by or at the direction of Buyer and also any legal fees and court costs that may be expended or incurred in defending or releasing such liens. Notwithstanding anything to the contrary herein, this indemnification shall survive termination or cancellation of this Agreement.

To Seller's knowledge there are no existing claims or causes of action, and there are no pending claims regarding the Subject Property against the Subject Property or Seller involving the violation of Environmental Laws, and Seller has no such claims against third parties.

Seller shall indemnify and hold Buyer harmless from and against any and all claims brought under Environmental Laws pertaining to conditions in existence and known to Seller prior to conveyance to Buyer.

10. Seller's Warranties. As an inducement to Buyer to enter into this Agreement, and as part of the consideration therefore, Seller represents and warrants to and covenant with Buyer that to the best of Seller's knowledge at the time of Closing there are no persons in possession of the property, including, but not limited to tenants, licensees, or permittees.

11. Defaults/Right to Terminate. In addition to the other rights to terminate this Agreement granted to each of the parties pursuant to this Agreement, either party may cancel this Agreement upon 30 day's written notice to the other party at any such time as such other party is in default of its agreements hereunder and remains in such default for 30 days following the written notice of such default.
