

Management Committee

For the Metropolitan Council meeting of September 9, 2020

Subject: Approval of the updated Accessibility Policy

Proposed Action

The Metropolitan Council approves the updated Accessibility Policy

Summary of Committee Discussion/Questions

Guthrie Byard, ADA & Title VI Administrator, RA presented the updated Accessibility Policy to the Management Committee on Wednesday, August 27, 2020.

There were a handful of comments from committee members that involved timeframe for updating staff and the public on organizational progress towards ADA compliance and accessibility. The purpose of the ADA Transition Plan was discussed further, which will be updated annually with completed projects and planned activities for the following year. A dashboard housed on either the intranet or on the Met Council website was suggested, which will be considered by the Office of Equal Opportunity.

Proposed Action

- Approve the updated Accessibility Policy Background

The Accessibility Policy identifies the federal and state laws and standards that require Metropolitan Council programs and services be accessible and not discriminate based on disability.

Rationale

The purpose of this policy and its supporting procedures are to ensure that Metropolitan Council staff, vendors, and contractors are aware of their legal responsibilities under federal and state laws and standards to develop and maintain accessible services, technologies, communications, and facilities for employees and the public. The updated policy includes the following:

- An expansion of the list of applicable federal and state laws and standards governing Metropolitan Council's accessibility compliance efforts.
- A definition of accessibility
- Clarification of the responsibility of all Metropolitan Council departments to comply with the applicable laws and standards
- Clarification of its intent to allow for department-specific procedures detailing program and service-specific accessibility compliance efforts.

Thrive Lens Analysis

Approval of the updated policy advances the Council's Thrive emphasis on equity, as it ensures that no person, regardless of ability, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity under the control of the Metropolitan Council.

Funding

No funding is tied to this policy.

Known Support / Opposition

There is general support for the policy update with no known opposition.

Why is this Important?

The Cover Sheet is meant to supplement the draft policy or procedure and provide context to common questions from the P & P Review Team. The Cover Sheet can also help the policy writer when drafting a business item for Council approval. In addition, it serves as a guide for the policy writer to proactively address crucial elements of a well-written, inclusive policy that communicated effectively to Metropolitan Council employees.

General Questions

1. Policy or Procedure Summary

The Accessibility Policy identifies the federal and state laws and standards that require Metropolitan Council programs and services be accessible and not discriminate based on disability.

2. Reason for Policy or Procedure

The purpose of this policy and its supporting procedures are to ensure that Metropolitan Council staff, vendors, and contractors are aware of their legal responsibilities under federal and state laws and standards to develop and maintain accessible services, technologies, communications, and facilities for employees and the public.

3. Summary of Changes (if making revisions)

- The policy expands the list of applicable federal and state laws and standards governing Metropolitan Council's accessibility compliance efforts.
- The policy provides a definition of accessibility
- The policy clarifies the responsibility of all Metropolitan Council departments to comply with the applicable laws and standards
- The policy clarifies its intent to allow for department-specific procedures detailing program and service-specific accessibility compliance efforts.

4. Consistency with Thrive Outcomes, Strategic Outcomes, Goals, Other Council Policies or Procedures, and Related External Documents

In alignment with the Council’s Equity outcomes, accessibility compliance is important in ensuring equitable access by the public to Council programs and services. The accessibility policy is related to other Council policies regarding discrimination, plain language, reasonable accommodations, and others. Formulation of departmental procedures will further guide the Metropolitan Council’s efforts to provide more equitable programs and services.

5. Did you answer and address the equity lens questions that were listed on the Policy or Procedure Notice Form? Briefly summarize any considerations or changes you made based on your utilization of the equity lens.

Yes. This policy details the organization’s responsibilities for complying with accessibility laws and standards. This work is intended to prevent discrimination against people with disabilities while allowing greater access to our programs and services by those of various abilities and backgrounds.

6. Stakeholder Review of Policy or Procedure

List all Council stakeholders who were consulted with during the drafting of this policy or procedure.

Stakeholder Group Name or Title	Business Unit/Department	Did you address their questions? Summarize your action.

Synopsis: The Accessibility Policy identifies the federal and state laws and standards that require Metropolitan Council programs and services be accessible and not discriminate based on disability.

POLICY

It is the policy of the Metropolitan Council to provide people equal access to its services, technologies, communications, and facilities in accordance with state and federal laws and standards.

Metropolitan Council definition of Accessibility

An accessible Metropolitan Council is one that is inclusive of and learns from people with all types of abilities. The Council is committed to creating accessible environments throughout its buildings, services, communications, policies, procedures, and practices.

PURPOSE AND SCOPE

The purpose of this policy and its supporting procedures is to ensure that Metropolitan Council staff, vendors, and contractors are aware of both their legal responsibilities under federal and state laws and standards to develop and maintain accessible services, technologies, communications, and facilities for employees and the public.

The Metropolitan Council acknowledges its obligation to comply with several federal and state laws and standards governing accessibility, including:

[*Americans with Disabilities Act \(ADA\) of 1990 and ADA Amendments Act of 2008*](#)

[*Section 508 Amendment to the Rehabilitation Act of 1973*](#)

[*Architectural Barriers Act of 1968*](#)

I. Policy

It is the policy of the Metropolitan Council to provide people, with or without disabilities, access to the Metropolitan Council's services, technologies, communications and facilities in accordance with state and federal law.

II. Purpose of policy

The purpose of this policy and its supporting procedures is to ensure that Metropolitan Council staff, vendors and contractors are aware of their responsibilities to develop and maintain accessible services, technologies, communications and facilities.

III. Background and reasons for policy

The Metropolitan Council's Accessibility policy is in response to:

The [Americans with Disabilities Act of 1990, Section 508 Amendment to the Rehabilitation Act of 1973](#) and the [Architectural Barriers Act of 1968](#).

IV. Implementation/Accountability

The Office of Equal Opportunity is responsible for oversight of the Metropolitan Council's accessibility efforts. All Metropolitan Council employees are responsible for complying with this accessibility policy and supporting procedures.

As the Metropolitan Council moves toward accessibility compliance, it is understood that reaching full compliance will be a deliberate process implemented over time. Our strategy is to take a phased approach, make as many services, facilities, communications and technologies accessible as possible at the time they are created, modify existing as feasible, and take advantage of new tools and techniques as they emerge.
