

## Transportation Committee

For the Metropolitan Council meeting of December 22, 2021

**Subject:** Distribution of \$20M of Coronavirus Response and Relief Supplemental Appropriate Act Federal Funding

### Proposed Action

That the Metropolitan Council approve distribution of \$20M of Coronavirus Response Relief Supplemental Appropriation Act (CRRSAA) federal funding to the local governments using the state-aid formula as shown in the attached table.

### Summary of Committee Discussion/Questions

Metropolitan Transportation Services Transportation Planning Manager Steve Peterson presented this item. Sterner asked if the money will help Anoka County to pay the bill due to Metropolitan Council to which Peterson responded that it's at the recipient's discretion on how the funds will be used.

Motion by Cummings, seconded by Chamblis. Motion carried CONSENT to Council.

## Transportation Committee

Meeting date: December 13, 2021

For the Metropolitan Council meeting of December 22, 2021

**Subject:** Distribution of \$20M of Coronavirus Response and Relief Supplemental Appropriate Act Federal Funding

**District(s), Member(s):** All

**Policy/Legal Reference:** TAB Action

**Staff Prepared/Presented:** Amy Vennewitz, Deputy Director, Finance & Planning (651-602-1508)  
Steve Peterson, Manager of Highway Planning and TAB/TAC Process (651-602-1819)

**Division/Department:** Transportation / Metropolitan Transportation Services (MTS)

### Proposed Action

That the Metropolitan Council approve distribution of \$20M of Coronavirus Response Relief Supplemental Appropriation Act (CRRSAA) federal funding to the local governments using the state-aid formula as shown in the attached table.

### Background

As part of the December 2020 federal Coronavirus Response and Relief Supplemental Appropriation Act (CRRSAA), the Metropolitan Council was allocated \$20M by the federal government. The intent of the funding was to provide emergency assistance and health care response for individuals, families, and businesses affected by the COVID-19 pandemic. Funds must be authorized before September 30, 2024. At its November 17, 2021, meeting, TAB approved distribution of this funding to MnDOT State Aid communities to cover transportation revenue loss (see attached table).

MnDOT distributed funding in this fashion in Greater Minnesota, where lost transportation revenue was documented from County State Aid Highway (CSAH) and Municipal State Aid Street (MSAS) funds and then CRRSAA funds were distributed via the state-aid formula. State and city recipients are being asked to indicate how they plan to use the allocation and then also complete year-end reporting to MnDOT on how the funding was used.

A similar approach would be used for the \$20M allocated to the Metropolitan Council. Attached is the distribution of funding using the state-aid formula. This approach meets the stated intent of CRRSAA.

While TAB considered using the funds to fund new projects or provide more federal money to existing Regional Solicitation projects, the option described in the motion was chosen because the process would distribute the funding in a shorter amount of time than applying it to projects and best aligns with the purpose of CRRSAA.

### Rationale

The Metropolitan Council, as the metropolitan planning organization (MPO) for the Twin Cities metropolitan area, was provided \$20M from the federal government and therefore is tasked with providing direction on how to distribute the funding.

### Thrive Lens Analysis

This action promotes *stewardship* by reimbursing a meaningful portion of lost funds to local agencies.

### Funding

The effort is fully funded with federal transportation funds.

### **Known Support / Opposition**

This proposed action was reviewed and recommended by the Transportation Advisory Board. No known opposition.

**Distribution via State-Aid Formulas**
