For the Metropolitan Council meeting of July 28, 2021

**Subject:** Maple Grove Interceptor 900416 Replacement Land Acquisition

**District(s), Member(s):** District 1, Judy Johnson

**Policy/Legal Reference:** Minnesota State Statute 473.504

**Staff Prepared/Presented:** Tim Wedin, 651-602-4571

### Proposed Action

That the Metropolitan Council adopts Resolution 2021-18 authorizing the acquisition of temporary easements for the Maple Grove Interceptor 900416 Replacement project and staff to initiate condemnation proceedings.

### Background

An inspection assessed the condition of Interceptor 900416 in Maple Grove. Deflection was captured from MH 4 to MH 11 during the routine inspection. The inspection indicated deflection that exceeds the manufacturer's specification creating a risk of failure. Temporary easements are required from approximately ten properties to facilitate construction. Construction is planned for 2022.

### Rationale

Land Acquisition is necessary to implement the proposed interceptor improvements. This action delegates authority to staff to acquire property rights for the project and to use the condemnation process, if necessary, to ensure timely project delivery.

### Thrive Lens Analysis

This action advances the Thrive Outcome of Stewardship. Public financial resources will be invested efficiently and effectively to maintain the existing wastewater infrastructure, which protects the region's natural resources.

### Funding

Project 808622 is included in the 8086 family of projects in the 2021 MCES Authorized Capital Program.

### Known Support / Opposition

No known opposition.
