Business Item: 2022-123 SW

2022-2025 TIP Amendment: Bus Purchase for Shakopee Mdewakanton Sioux Community

District(s), Member(s): 4 – Barber

Policy/Legal Reference: TAB Action

Staff Prepared/Presented: Amy Vennewitz, Deputy Director, Finance & Planning (651-602-1508)
Steve Peterson, Manager of Highway Planning and TAB/TAC Process (651-602-1819)
Joe Barbeau, Senior Planner (651-602-1705)

Division/Department: Transportation / Metropolitan Transportation Services (MTS)

Proposed Action

That the Metropolitan Council adopt an amendment to the 2022-2025 Transportation Improvement Program (TIP) to add the purchase of a bus for the Shakopee Mdewakanton Sioux Community.

Background

MnDOT is facilitating the purchase of a bus for the Shakopee Mdewakanton Sioux Community.

Rationale

The Metropolitan Council approves formal amendments to the TIP. The project is consistent with the Transportation Policy Plan (TPP) and meets fiscal constraint because the federal funds are sufficient to fully fund the project. The Minnesota Interagency Air Quality and Transportation Planning Committee determined that the project is exempt from air quality conformity analysis.

Thrive Lens Analysis

This action promotes *livability* by supplying transit capital and *stewardship* but utilizing federal funds.

Funding

The project is fully funded with federal funds.

Please amend the 2022-2025 Transportation Improvement Program (TIP) to change this project in program year 2022. This project is being submitted with the following information:

PROJECT IDENTIFICATION:

Seq #	State Fiscal Year	ATP / Dist	Route System	Project Number	Agency	Description
TBD	2022	M	NA	8825-1049	MnDOT	Shakopee Mdewakanton Sioux Community; Clean transportation grant to tribal partner- Purchase one electric bus

Miles	Prog	Type of Work	Prop Funds	Total \$	FHWA \$	Other \$
0.0	TR	Transit	STP	\$295,00	\$295,000	NA

PROJECT BACKGROUND:

1. Briefly describe why amendment is needed (e.g., project in previous TIP but not completed; illustrative project and funds now available; discretionary funds received; inadvertently not included in TIP).

This amendment is needed to add a new federally funded project into SFY 2022

2. How is Fiscal Constraint Maintained as required by 23 CFR 450.216 (check all that apply)?

- New Money
- Anticipated Advance Construction
- ATP or MPO or MnDOT Adjustment by deferral of other projects
- Earmark or HPP not affecting fiscal constraint
- Other X

This is a Clean Transportation Grant in the Metro area being delivered by MnDOT Central Office, which will provide the funding and convert STP federal budget authority to its available CMAQ appropriation. Therefore, fiscal constraint is maintained. (No match required if using STP to a tribal partner).

CONSISTENCY WITH MPO LONG RANGE PLAN:

This amendment is consistent with the Metropolitan Council Transportation Policy Plan, adopted by the Metropolitan Council on November 18, 2020, with FHWA/FTA conformity determination established on December 4, 2020.

AIR QUALITY CONFORMITY:

- Subject to conformity determination
- Exempt from regional level analysis *
- N/A (not in a nonattainment or maintenance area)

*Exempt Project Category T-10—Purchase of new buses and rail cars to replace existing vehicles or for minor expansions of the fleet per Section 93.126 of the Conformity Rules.
