“People in the region”

Values: Current Themes

Values: Current Themes

Regional Vision: Current Themes

Racial inequities are eliminated.

Individuals and communities feel welcome, valued, and safe.

The region's diversity and entrepreneurship help drive economic growth.

Development and redevelopment preserve and restore natural systems.

The region becomes more interconnected and navigable for those without personal vehicles.

A diversity of existing and emerging "places" contribute to vibrancy and sense of community throughout the region.

Affordable housing and workforce opportunities exist throughout the region.

Public investments support economic growth, sustainable development patterns, equitable outcomes, and GHG reduction.

Upcoming Activities

Next Steps for Outreach and Engagement

- Finalize Outreach and Engagement Plan
- Identify and conduct outreach to Tier 2 audiences
- Data and research support for theme conversations
- Web presence / engagement tool
- Youth Cohort
