## Business Item: 2024-140SW

Streamlined 2025-2028 TIP Amendment Request – MVTA's Apple Valley Transit Station Modernization

### Proposed Action

That the Metropolitan Council adopt an amendment to the 2025-2028 Transportation Improvement Program (TIP) to add MVTA's Apple Valley Transit Station Modernization project.

### Background

The request is to add this project, which had been included in the 2024-2027 Transportation Improvement Program (TIP) as a 2024 project, into the 2025-2028 TIP as a 2025 project. The reason for this is that the project was originally scheduled for a 2024 obligation but fell into 2025. This project was funded in the Regional Solicitation.

### Rationale

The Metropolitan Council approves formal amendments to the TIP. The project is consistent with the Transportation Policy Plan (TPP) and meets fiscal constraint because the federal and state funds are sufficient to fully fund the project.

### Thrive Lens Analysis

On Feb. 12, 2025, the Council adopted Imagine 2050, which builds on policy direction in Thrive MSP 2040. Under the Thrive lens, this action promotes *stewardship* by enabling use of federal funding.

### Funding

This project is fully funded with federal and local funds.

### Small Business Inclusion

MVTA works through the Council's grant administration team in coordination with OEE0 and Procurement to include DBE requirements on relevant projects.

# 2025-2028 TIP/STIP AMENDMENT REQUEST

Please amend the 2025-2028 Transportation Improvement Program (TIP) and State Transportation Improvement Program (STIP) to add the below project.

## Project Identification

Seq #	TBD
Fiscal Year (State)	2025
ATP and District	ATP M
Route System	TRANSIT
Project Number (S.P. #)	TRS-TCMT-24L
Agency	MVTA
Description	APPLE VALLEY TRANSIT STATION MODERNIZATION. OPERATOR TRAINING LOT, CONNECT SERVICE DESIGNATED SERVICE AREA, CUSTOMER AMENITIES, AND TECHNOLOGY IMPROVEMENTS
Miles	0.0
Program	TR
Type of work	TRANSIT
Proposed Funds	FTA
Total \$	\$5,000,000
FHWA \$	\$4,000,000
State \$	\$0
Other \$	\$1,000,000

## Background and TIP Amendment Need

This amendment request is to add a new 2025 project into the 2025-2028 STIP. This is needed to move \$4,000,000 FTA funds from 2024 in #TRS-TCMT-24L to 2025. These funds were transferred from FHWA to FTA and are in Metropolitan Council FTA unobligated balances. This is an existing project with no cost or scope changes.

## Fiscal Constraint (as Required by 23 CFR 450.216)

These FTA funds are available in Metropolitan Council's FTA unobligated balances and are sufficient to fully fund this project, therefore, fiscal constraint is maintained.

## Consistency with MPO Long-Range Plan

This amendment is consistent with the Metropolitan Council Transportation Policy Plan, adopted by the Metropolitan Council on February 12, 2025.
