The Council Chair may also recommend to the Council for its approval, the Chair, members, and duties of special committees.

Rationale

Committee member assignments are important to continuing the Council's business. Committee membership and leadership will be reviewed annually by the Chair, in accordance with Council Bylaws.

Thrive lens analysis

On February 12, 2025, the Council adopted Imagine 2050, which builds on policy direction in Thrive MSP 2040. Appointing members to Committees is necessary to ensure the work of the Council reflects

our concerns and aspirations, anticipates future needs in the region, and addresses our responsibility to future generations through community development, addressing environmental issues, financial accountability, and transportation investments.
