Proposed Action

That the Metropolitan Council:

1. Approve a grant of up to \$459,375 to Three Rivers Park District to acquire the vacant rural residential 27.87-acre Olson property adjacent to Gale Woods Farm, just west of Woodedge Road in Minnetrista, for Gale Woods Farm Special Recreation Feature.
2. Authorize the Community Development Director to execute the grant agreement and restrictive covenant on behalf of the Council.

Background

Regional Park Implementing Agency (Agency) and Project Request

Three Rivers Park District requested this grant on April 15, 2021, to fund the acquisition of a 27.87-acre property for Gale Woods Farm Special Recreation Feature. A copy of the Agency's request is attached to this item as Exhibit 2 with application details in Exhibit 3. Gale Woods Farm Special Recreation Feature is located in southwest Hennepin County.

Subject Property

As shown in Exhibit 1, the subject property is within the Council-approved boundary of Gale Woods Farm Special Recreation Feature. The property is heavily wooded with small pockets of wetlands. The parcel does not contain any structures and is zoned for agriculture. Stewardship needs are minimal and will include vegetative cleanup, removal of any invasive plants, and native plant restoration. Additionally, the parcel is bordered on the south by the Dakota Rail Regional Trail.

Park Acquisition Opportunity Fund (PAOF)

The Council's Park Acquisition Opportunity Fund (PAOF) Program provides funding to purchase property and easements via two state sources: the Parks and Trails Legacy Fund (PTLF) and the Environment and Natural Resources Trust Fund (ENRTF). The Council contributes by matching every \$3 in state funds with \$2 in Council funds. The \$3 to \$2 match is required at the program level, not individual project level. This project will be funded with PTLF.

State and Council funds contribute up to 75% of the purchase price and eligible costs; the Regional Park Implementing Agency (Agency) contributes the remaining 25% as local match.

Project budget

The appraised value of the property is \$595,000, and the Seller has agreed to 100% of the appraised amount. See Exhibit 6 for more information on the appraisal. The total project cost including legal fees, taxes, and stewardship is \$612,500, as shown below.

Table 1. Project budget

Budget item	Requested amount
Purchase price	\$595,000
Stewardship	\$6,200
Appraisal, legal fees, taxes	\$11,300
Total costs	\$612,500
Grant structure	
Grant amount	\$459,375
Local match	\$153,125

Acquisition Details

This is a straightforward, fee simple transaction. There are no easements or lease constraints on the property.

Rationale

Council staff conduct review of each PAOF request on a first-come-first-served basis under the following standards:

- the proposed acquisition complies with state statute and Council policy
- all necessary documentation for the acquisition is in place
- the appraisal is reasonable and appropriate

This acquisition is consistent with:

- The *2040 Regional Parks Policy Plan*
 - Planning Policy Strategy 1 requires that before an Agency can receive a grant for acquisition, the proposed project must be consistent with a Council-approved master plan. The Council approved the Gale Woods Farm Special Recreation Feature master plan amendment on February 24, 2021 ([Business Item 2021-38](#)). The proposed acquisition is consistent with the approved amendment, which expanded the boundary to include the Olson property that is the subject of this request.
 - Siting and Acquisition Strategy 1 prioritizes the acquisition of lands with natural resource features, access to water, and/or restoration potential for the Regional Parks System. The subject property is heavily wooded, has minimal restoration needs, and will be added to the existing natural resource features at Gale Woods Farm.
 - Finance Strategy 7 authorizes the use of PAOF as the funding mechanism for the acquisition of Regional Park lands and matching every \$3 in state funds with \$2 in Council bonds.
- All requirements of PTLF. This funding aligns with the goals of the *25-year, Parks and Trails Legacy Plan*, strategic direction of “Acquire land – create opportunities.”

Thrive Lens Analysis

This request is consistent with Thrive's Livability and Stewardship outcomes. The Council's investment in Gale Woods Farm Special Recreation Feature will provide additional access to outdoor recreation, enhance quality of life, and further protect natural resources.

Funding

The Council will fund this grant through Parks and Trails Legacy Funds. Funds are available in the Council's Authorized Capital Program.

Three Rivers Park District will provide a local match of \$153,125.

Known Support / Opposition

The Board of the Three Rivers Park District first approved the purchase of this property on April 16, 2021. The Council requested an appraisal update which resulted in an amended purchase agreement. The amendment to the purchase agreement was signed and approved by the Board on May 20, 2021, as shown in Exhibit 4. There is no known opposition associated with this acquisition or grant.

Background Summary

John Gibbs
District 5

Staff have been working with the property owner for several years working in the background to update the 2040 Regional Parks Policy, amend the Gale Woods SRF Master Plan and obtain municipal consent for the acquisition. All of these steps are now complete, and Three Rivers and the property owner successfully negotiated a purchase agreement reflective of the appraised value.

Natural Resource Summary

The additional property offers comparable natural resources value to Gale Woods parkland already owned by Three Rivers and will be managed similarly to the broader park.

The subject property is mostly undeveloped open space with mature maple-basswood trees. The park master plan calls for the majority of the parcel to be retain its natural habitat with native plantings, buckthorn removal, and protect wetlands.

C. Amendment to the Olson Property Purchase Agreement

MOTION by Beard, seconded by Freeman, TO APPROVE PURCHASE AGREEMENT AMENDMENT BASED ON THE UPDATED APPRAISAL FINDINGS FOR VACANT PROPERTY IN MINNETRISTA, MN (PID 2211724120002) LOCATED WITHIN THE PROPOSED AMENDED BOUNDARIES OF GALE WOODS FARM AND TO INCREASE THE PROJECT BUDGET TO \$610,000 WITH LOCAL FUNDING FROM THE LAND ACQUISITION, DEVELOPMENT AND BETTERMENT FUND.

All ayes, no nays, MOTION ADOPTED

REQUEST FOR BOARD ACTION

Meeting Date: 05/20/21 Business Item: Current Item Number: **6C**

Division: Superintendent's Office Originating Source: Eric Quiring, General Counsel

Agenda Item: Amendment to the Olson Property Purchase Agreement

Superintendent's Recommendation:

MOTION TO APPROVE PURCHASE AGREEMENT AMENDMENT BASED ON THE UPDATED APPRAISAL FINDINGS FOR VACANT PROPERTY IN MINNETRISTA, MN (PID 2211724120002) LOCATED WITHIN THE PROPOSED AMENDED BOUNDARIES OF GALE WOODS FARM AND TO INCREASE THE PROJECT BUDGET TO \$610,000 WITH LOCAL FUNDING FROM THE LAND ACQUISITION, DEVELOPMENT AND BETTERMENT FUND.

Background:

At the April 15, 2021 Board Meeting, the Board approved a purchase agreement for the vacant property adjacent to Gale Woods Farm and identified by PID 2211724120002 for the appraised value of \$585,000. This acquisition opportunity required that the master plan boundary be amended to include the property. The amendment was submitted to the City of Minnetrista and Metropolitan Council for review and approval. The master plan boundary amendment has been approved.

In order for the acquisition to be eligible for up to 75% reimbursement from the Metropolitan Council Park Acquisition Grant Fund, the purchase price must be supported by an appraisal conducted within one year of the purchase agreement. The property was appraised in September 2019. Due to the length of time to amend the master plan and coordinate funding for this acquisition, the appraisal of the property is no longer within the time frame mandated by Metropolitan Council for reimbursement eligibility. The appraisal was updated in May 2021, which resulted in a current appraisal value of \$595,000.

Staff have worked with the Seller to adjust the purchase agreement to reflect the current appraisal value through a Purchase Agreement Amendment (***Reference 6C-1***). The remaining terms of the Purchase Agreement are unaffected.

The Board approved a project budget for total acquisition cost of \$600,000, which includes the purchase price, appraisal, environmental assessment work, land stewardship /restoration, legal fees, and title commitment/insurance. Due to the increased purchase price, the project budget should be increased accordingly by \$10,000 to a total of \$610,000.

Relationship to the System Plan

Further, Buyer may inspect the Subject Property and conduct such other and further inspections or other review as seems necessary by Buyer during such period. Seller hereby grants Buyer and/or its agents the right to enter upon the Subject Property for the purpose of inspection and to prepare topological studies, planning, surveys, soil tests and other engineering studies, and environmental inspection and testing that may be deemed necessary; provided however that Buyer shall pay all costs thereof and shall protect, defend, indemnify, save and hold Seller and Subject Property harmless from and against any and all costs, damages and liabilities arising from entry upon inspection or testing of Subject Property, including but not limited to costs, damages and liabilities arising from mechanics, materialmens and other liens filed against Subject Property in connection with work performed or material furnished by or at the direction of Buyer and also any legal fees and court costs that may be expended or incurred in defending or releasing such liens. To Seller's knowledge there are no existing claims or causes of action, and there are no pending claims regarding the Subject Property against the Subject Property or Seller involving the violation of Environmental Laws, and Seller has no such claims against third parties.

Seller shall indemnify and hold Buyer harmless from and against any and all claims brought under Environmental Laws pertaining to conditions in existence and known to Seller prior to conveyance to Buyer.

10. Seller's Warranties. As an inducement to Buyer to enter into this Agreement, and as part of the consideration therefore, Seller represents and warrants to and covenants with Buyer that to the best of Seller's knowledge at the time of Closing there are no persons in possession of the property, including, but not limited to tenants, licensees, or permittees.

11. Defaults/Right to Terminate. In addition to the other rights to terminate this Agreement granted to each of the parties pursuant to this Agreement, either party may cancel this Agreement upon 30 day's written notice to the other party at any such time as such other party is in default of its agreements hereunder and remains in such default for 30 days following the written notice of such default.

12. Due Authorization. Seller and Buyer hereby represent to the other that each has the requisite power and authority to execute this Agreement and the documents referred to herein and to perform its obligations hereunder and thereunder; and the individuals executing this Agreement and all such other documents that have a legal power, right and actual authority to bind each of the parties hereto to the terms and conditions of the Agreement and all other such documents. Subject Property Overview

Location	Good rural residential neighborhood west of Lake Minnetonka, and near Gale Woods Farm and the Dakota Rail Trail (a recreational trail). It has adequate district access and good market appeal and values. Good residential subdivisions with public utilities are to the east, yet subject district and areas to the west have rural residential development.
Site	Vacant rural residential acreage containing 27.87 acres, zoned and guided Agricultural. The subject has legal access to Woodedge Rd, 250 feet to the east via an easement. The site is adjacent to Gale Woods Farm, is heavily wooded, has a bisecting drainageway, and small pockets of wetlands. There is good frontage on the Dakota Rail Trail. Public utilities are nearby, yet the subject is outside of the MUSA expansion area.
History	Vacant land, never developed
Current Use	Vacant land
Highest and Best Use	Good rural residential land having appealing features and seclusion adjacent to parkland. Zoning requires a minimum of 10-acre lots; subject could accommodate either a single estate site or 2 high-amenity single-family residential lots

Larger Parcel

Per the Uniform Standards of Federal Land Acquisition (Yellow Book), the larger parcel "is defined as that tract, or those tracts, of land which possess a unity of ownership and have the same, or an integrated, highest and best use." The criteria considered are 1) unity of ownership, 2) contiguity/proximity, and 3) unity of highest and best use.

From Yellow Book, "It is possible that two physically separate tracts may constitute a single larger parcel, or conversely, a single physical tract may constitute multiple larger parcels." A larger parcel determination is required in all partial or total acquisition appraisals.

The determination of the larger parcel is the subject tax parcel. While there are technically adjacent parcels under the same ownership, they are bisected by a significant regional trail (Dakota Rail Trail), and Saunders Lake also provides a significant barrier between the parcels as well.
