Proposed Action

That the Metropolitan Council:

1. Approve a grant of up to \$81,328 to Dakota County to acquire the 5.06-acre Adelmann property located at 4755 220th Street West, Farmington, for Lake Marion Greenway Regional Trail.
2. Authorize the Community Development Director to execute the restrictive covenant on behalf of the Council.

Background

Regional Park Implementing Agency (Agency) and Project Request

Dakota County requested a Park Acquisition Opportunity Fund (PAOF) grant on May 18, 2022, to fund the acquisition of a 5.06-acre property for Lake Marion Greenway Regional Trail. A copy of the Agency's request is attached to this item as Exhibit 2 with application details in Exhibit 3.

The Lake Marion Greenway Regional Trail travels 20 miles through Burnsville, Savage, Credit River Townships, Lakeville, and Farmington. Four miles of the trail follow the South Creek in Farmington, which is a designated trout stream and a main tributary of the Vermillion River. The trail also links the Minnesota River to Murphy-Hanrehan Park Reserve, along with 14 local parks.

Subject Property

The subject property is within the Council-approved boundary of Lake Marion Greenway Regional Trail. The property is undeveloped featuring woodlands, grasslands, shoreline, and 475 feet of South Creek floodplain and upland. The property is part of a larger 42-acre acquisition Dakota

County is purchasing for a County Park Conservation Area. Exhibit 1, Figure 5 shows the adjacent areas that are being considered for the greater Conservation Area. The subject 5.06-acre property for the Regional Trail is labeled Outlot B.

Park Acquisition Opportunity Fund (PAOF)

The Council’s Park Acquisition Opportunity Fund (PAOF) Program provides funding to purchase property and easements via two state sources: the Parks and Trails Legacy Fund (PTLF) and the Environment and Natural Resources Trust Fund (ENRTF). The Council contributes by matching every \$3 in state funds with \$2 in Council funds. The \$3 to \$2 match is required at the program level, not the individual project level.

State and Council funds contribute up to 75% of the purchase price and eligible costs; the Regional Park Implementing Agency (Agency) contributes the remaining 25% as local match.

Project Budget

The appraised value of the property is \$116,000 and the Seller has agreed to a purchase amount of \$99,296. See Exhibit 4 for more information on the appraisal. The total project cost including legal fees, taxes, appraisal, environmental assessment, and stewardship is \$108,438 as shown in Table 1 below.

Table 1. Project Budget

Budget item	Requested amount
Purchase price	\$99,296
Stewardship	\$0
Appraisal, legal fees, taxes, closing costs	\$6,672
Environmental assessment	\$2,470
Total Costs	\$108,438
Grant structure	
Grant amount	\$81,328
Local match	\$27,110

Acquisition Details

This is a straightforward, fee simple transaction.

Rationale

Council staff conduct the review of each PAOF request on a first-come-first-served basis under the following standards:

- the proposed acquisition complies with state statute and Council policy
- all necessary documentation for the acquisition is in place
- the appraisal is reasonable and appropriate

This acquisition is consistent with:

- The *2040 Regional Parks Policy Plan*
 - Planning Policy Strategy 1 requires that before an Agency can receive a grant for acquisition, the proposed project must be consistent with a Council-approved master plan. The Council approved the Lake Marion Greenway Regional Trail master plan in 2013 ([Business Item 2013-281](#)). The proposed acquisition is within the boundaries of the approved master plan.
 - Siting and Acquisition Strategy 1 prioritizes the acquisition of lands with natural resource features, access to water, and/or restoration potential for the Regional Parks System. The subject property is mostly wooded and on an island of the Mississippi River.
 - Finance Strategy 7 authorizes the use of PAOF as the funding mechanism for the

acquisition of Regional Park lands and matching every \$3 in state funds with \$2 in Council bonds.

- The Environment and Natural Resources Trust Fund (ENRTF) appropriation requirements

Thrive Lens Analysis

This request is consistent with *Thrive MSP 2040*'s Livability and Stewardship outcomes. The Council's investment in Lake Marion Greenway Regional Trail will preserve and protect natural resources for South Creek and the Vermillion River watershed and increase high quality natural resources and wildlife habitat in the regional parks system.

Funding

The Council will fund the 75% share with Environment and Natural Resources Trust Fund and Council funds. The PAOF program has available funds in the Council's Authorized Capital Program.

Dakota County will provide a local match of \$27,110.

The County completed, reviewed and accepted an independent appraisal to substantiate the \$99,296 purchase price for the 5.06-acre greenway corridor as part of the \$535,200 purchase of a new 42.6-acre County Park Conservation Area.

The Dakota County Board of Commissioners authorized acquisition of the Adelmann property and submission of an AOF grant request by Resolution No. 21-319 at its June 22, 2021, meeting. The County executed the initial purchase agreement with the property owner on June 23, 2021, and executed an addendum to the purchase agreement on May 4, 2022, to extend the closing date.
