Proposed Action

That the Metropolitan Council:

1. Approve a grant of up to \$161,728 to Ramsey County to acquire a 2.91-acre parcel located at 0 Ogden Avenue in Saint Paul for Battle Creek Regional Park.
2. Authorize the Executive Director of Community Development to execute the grant agreement and restrictive covenant on behalf of the Council.

Background

Regional Park Implementing Agency and Project Request

Ramsey County requested a Park Acquisition Opportunity Fund (PAOF) grant on November 7, 2023, to fund the acquisition of a 2.91-acre parcel for Battle Creek Regional Park. A copy of the Agency's request is attached to this item as Exhibit 2 with application details in Exhibit 3.

Battle Creek Regional Park is located in the southeast portion of Ramsey County in portions of St. Paul and Maplewood (see Exhibit 1, Figures 1 and 2) and contains nearly 1900 acres. The regional park is known for its Winter Recreation Area, Waterworks Park, dog park, trails, and large playground and play areas. Ramsey County recently amended their long-range plan to add acreage to their boundary, which included the subject parcel (see Exhibit 1, Figures 3, 4, and 5).

Subject Property

The subject 2.91-acre property is within the Council-approved boundary of Battle Creek Regional Park. The property is undeveloped and consists primarily of mixed woods, dominated by oak trees. The property is located along the bluff line of Ogden Avenue and is located within the Mississippi River Corridor Critical Area, which shares its boundary with the Mississippi National River and

Recreation Area. Henry Park, a local wooded park with trails, is adjacent to the west.

Park Acquisition Opportunity Fund (PAOF)

The Council's Park Acquisition Opportunity Fund (PAOF) Program provides funding to purchase property and easements via two state sources: the Parks and Trails Legacy Fund (PTLF) and the Environment and Natural Resources Trust Fund (ENRTF). The Council contributes by matching every \$3 in state funds with \$2 in Council funds. The \$3 to \$2 match is required at the program level, not the individual project level.

State and Council funds contribute up to 75% of the purchase price and eligible costs; the Regional Park Implementing Agency (Agency) contributes the remaining 25% as local match.

Project Budget

The appraised value of the subject property and easement is \$190,000, and the Seller has agreed to that amount. See Exhibit 4 for more information on the appraisal. The total project cost including legal fees, taxes, appraisal, and stewardship is \$215,638, as shown in Table 1 below.

Table 1. Project Budget

Budget item	Requested amount
Purchase price	\$190,000
Appraisal, legal fees, taxes, closing costs	\$5,638
Stewardship	\$20,000
Total Costs	\$215,638

Acquisition Details

This is a straight-forward fee title acquisition for an undeveloped parcel of land.

Rationale

Council staff conduct the review of each PAOF request on a first-come-first-served basis under the following standards:

- the proposed acquisition complies with state statute and Council policy
- all necessary documentation for the acquisition is in place
- the appraisal is reasonable and appropriate

This acquisition is consistent with:

- The Environment and Natural Resources Trust Fund
- The *2040 Regional Parks Policy Plan*
 - Planning Policy Strategy 1 requires that before an Agency can receive a grant for acquisition, the proposed project must be consistent with a Council-approved long-range plan. The Council approved the Battle Creek Regional Park long-range plan amendment in November 2023 ([Business Item 2023-261](#)). The proposed acquisition is within the boundaries of the approved long-range plan.
 - Siting and Acquisition Strategy 1 prioritizes the acquisition of lands with natural resource features, access to water, and/or restoration potential for the Regional Parks System. The undeveloped subject property is necessary to complete the Battle Creek Regional Park, and acquiring this property will help protect the bluffs along the Mississippi River.
 - Finance Strategy 7 authorizes the use of PAOF as the funding mechanism for the acquisition of Regional Park lands and matching every \$3 in state funds with \$2 in

Council bonds.

Thrive Lens Analysis

This request is consistent with *Thrive MSP 2040's* Livability and Stewardship outcomes. The Council's investment in Battle Creek Regional Park will provide additional access to nature and the outdoors and enhance quality of life.

Funding

The Council will fund the 75% share with the Environment and Natural Resources Trust Fund and Council funds. The PAOF program has available funds in the Council's Authorized Capital Program.

Ramsey County will provide a local match of \$53,910.

RE: Park Acquisition Opportunity Grant Request for 0 Ogden Avenue, Battle Creek Regional Park

Dear Mr. Mullen:

Ramsey County is submitting a Park Acquisition Opportunity Grant Request for the acquisition of a residential property at 0 Ogden Avenue, Saint Paul that is associated with Battle Creek Regional Park.

Acquisition Grant Request

Daniel and Nancy McGuinness own approximately 2.91-acres of land at 0 Ogden Ave, Saint Paul, Mn. The property is directly adjacent to the Henry Park and close proximity to the Mississippi River Bluff Projection Open Space. Ramsey County and the owners have executed a Purchase Agreement contingent on available Park Acquisition funds.

Ramsey County is requesting the Metropolitan Council's consideration of an acquisition opportunity grant in the amount of \$161,728 that would fund 75% of the acquisition and associated costs, with \$53,910 (25% local match) coming from Ramsey County funds.

This acquisition of this property is critical for securing remaining inholdings along the bluff line for Battle Creek Regional Park between Lower Afton Road and Carver Road. This property was identified within the Battle Creek Regional Park Long-range Plan for inclusion into the Mississippi River Bluff Protection Open Space. As you are aware, Ramsey County submitted a boundary expansion application for Battle Creek Regional Park in 2020 to expand the regional park boundary to include Suburban Pond Open Space, Mississippi River Bluff Projection Open Space, and Fish Creek (both Ramsey and Maplewood sections). The Battle Creek Regional Park Long-Range Plan has been submitted to the Metropolitan Council for review and approval. The anticipated date from approval by the Council is November 8, 2023.

Summary of Property Acquisition

In 2022, the property owners contacted Ramsey County for interest in pursuing acquisition of their property. Ramsey County completed a certified land appraisal for the property in September 2022, and proceeded to move forward with acquisition discussion with the property owners. A purchase agreement has been prepared and was approved by the Ramsey County Board of Commissioners on October 24, 2023.

Stewardship Plan

Following acquisition with the property owners, Ramsey County will begin land stewardship activities.

Ramsey County is requesting this acquisition grant request move forward for approval. If you have any questions or require additional information, please do not hesitate to call me at 651-266-0370 or email me at scott.yonke@ramseycounty.us.

Title: Property Acquisition for 0 Ogden Avenue, Saint Paul, Minnesota, 55109

File Number: 2023-456

Background and Rationale:

The property is an undeveloped single-family residential lot with no dwellings or structures and is approximately 2.91 acres in size. This property is located directly east and adjacent to Henry Park in Saint Paul and falls within the Mississippi River Bluff Open Protection corridor and Battle Creek Regional Park boundary expansion area. This property was previously identified for potential acquisition as part of a 2020 Metropolitan Council process for regional park and trail system additions in 2020 and the 2023 Battle Creek Regional Park Long-Range Plan. This land acquisition will create additional park access opportunities in addition to providing natural resource protection of the bluff line along Highway 61. In addition, this property falls within the Mississippi River Corridor Critical Area (MRCCA). This section of park is subject to MRCCA regulations (State statutes under Minnesota Rule 6106) which is in place to protect the unique natural and cultural resources and values within this corridor. This property acquisition is consistent with the 2023 Battle Creek Regional Park Long-Range Plan.

A Purchase Agreement has been negotiated for the property at 0 Ogden Avenue, Saint Paul, MN at the purchase price of \$190,000 (The purchase price includes all moving and relocation costs). The purchase price of this property was established by an independent appraisal and the property tax estimated market values. The purchase agreement obligates the county to pay closing costs estimated at \$2,588. Other acquisition costs associated with the property acquisition is listed below.

Acquisition Costs

Purchase Price	\$190,000	
Closing Costs (Estimated)		\$2,588
Property Appraisal		\$2,800
Site Restoration		\$20,000
Total	\$215,388	

The Parks department has prepared an application for submission to the Metropolitan Council to request Environmental & Natural Resources Trust Funds. Ramsey County meets the Metropolitan Council criteria for a Regional Park and Trail implementing agency and can request these funds to cover 75% of the total cost of the property and other reimbursable expenses. Environmental & Natural Resources Trust Fund Environmental & Natural Resources Trust Funds are distributed to regional park and trail implementing agencies on a biannual basis by the State Legislature through the Metropolitan Council on a first come, first serve basis for land acquisitions that do not contain habitable structures or buildings on the property. A timely submission of the grant application will make the likelihood of securing the funds high. After submission of the grant application, it is anticipated the awarding of grant funds will be prior to January 31, 2024, and will be available after a grant agreement is fully executed.

The Environmental & Natural Resources Trust Fund will reimburse Ramsey County 75% of the total acquisition costs, up to \$161,541 and the remaining 25% of acquisition costs \$53,847 is to be

funded from the proposed 2024 Parks & Recreation operating budget for the total acquisition cost of \$215,388. The Parks department is requesting a temporary cash loan from the General Fund to cover 75% of the total acquisition costs and will be reimbursed with potential Environmental & Natural Resources Trust Fund grants. The remaining 25% of total acquisition cost is considered the match to the grant funds and will not be reimbursed.

As a requirement of the grant application submission, an approved purchase agreement will need to be included with the application submission. The acquisition of this property will be dependent on receipt of Environmental & Natural Resources Trust Funds. Without receipt of these funds, the county will not act on purchasing nor be bound to purchasing the property, and the purchase agreement will not go forward unless additional non-county funds would become available for the purchase of the property and other site related costs.

If funds are awarded to Ramsey County, a grant agreement will be required to receive the funds. A condition of the grant agreement will require an Agreement and Restrictive Covenant be recorded against the property to provide protection of the land as parkland. As a second condition of the grant, the county will convey a Sanitary Sewer Easement to the Metropolitan Council for future regional wastewater conveyance. The Grant Agreement, Agreement and Restrictive Covenant, and Sewer Easement will be prepared in consultation with department staff, and the County Attorney's Office.

Recommendation:

The Ramsey County Board of Commissioners resolved to:

1. Approve the acquisition and agreement for the purchase of 0 Ogden Avenue, Saint Paul, in the amount of \$190,000.

4. Authorize an estimated payment of up to \$53,847 from the Parks 2024 operating budget to finance Ramsey County's share of the cost of acquisition.
5. Authorize the County Manager to approve and execute the purchase agreement and closing documents, grant contracts and contract amendments associated with the cost of acquisition for the property located at 0 Ogden Avenue, Saint Paul, in a form approved by the County Attorney's Office.
6. Authorize the County Manager to make a temporary cash loan of \$161,541 from the General Fund for acquisition costs of 0 Ogden Avenue, Saint Paul until land acquisition funds are received, with repayment of funds in the amount of \$161,541 to be made when grant funds are available.
