

Public Transit and Human Services Transportation Coordinated Plan Update

Presented to Transportation Accessibility Advisory Committee

May 1, 2019

Purpose of the Coordinated Plan

- Plan for improving transportation services for older adults and people with disabilities
- Increase coordination among services
- Federally-required plan

Plan Application

- Guide federal funding investments in projects that improve mobility for older adults and people with disabilities
- MnDOT runs statewide application process for Section 5310 funding
- Funds can be used for projects such as
 - purchasing vehicles
 - providing non-profit shuttle services
 - improved accessibility such as sidewalks or accessible pedestrian signals
 - mobility management

Current Plan Adopted in 2013

- Three Strategy Categories
 1. Coordinate and Consolidate Transportation Services and Resources
 2. Mobility Strategies
 3. Community, Training, and Organizational Support

2019 Plan Update

- Steering Committee will help inform and guide the plan update
- Inventory of available services in the region
- Stakeholder workshop to identify current needs and strategies (anticipated in June)
- Work will be done through Summer 2019
- Plan finalized in Fall 2019
