I haven't been able to drive since a seizure July 7. Thankfully, the bike trails around Hopkins allowed me to be @carfreemsp going to work, taking my 4yo to school and running errands. I'm now averaging 40-60 mi/wk. Local trails kept the seizure from grinding our lives to a halt.

- Forward Thinking
- Planning Partners:

What is Mobility Justice?

In order for our communities to thrive, people need to be able to move freely and safely no matter their identities.

Keynote by Yolanda Davis-Overstreet // Panel discussion with Hennepin Co. Commissioner Irene Fernando, CEO David Wellington, Minneapolis College President Sharon Pierce

- What micro mobility guidance can we provide through trainings to improve accessibility?
- How can Move Minneapolis work with employers and property managers to reduce sustainable commute barriers?
- Who else should we be talking to and partnering with?
- How and when would you like to hear from us?
