ACTION TRANSMITTAL No. 2018-28

DATE: April 5, 2018
TO: Transportation Advisory Board
PREPARED BY: Joe Barbeau, Senior Planner (651-602-1705)
SUBJECT: 2018-2021 TIP Amendment for MnDOT: FTA Section 5310, Enhanced Mobility for Seniors and Persons with Disabilities
REQUESTED ACTION: MnDOT requests an amendment to include in the 2018-2021 TIP funding for three “Enhanced Mobility for Seniors and Persons with Disabilities” projects.
RECOMMENDED MOTION: That the TAB recommend adoption of an amendment into the 2018-2021 TIP to include funding for three “Enhanced Mobility for Seniors and Persons with Disabilities” projects.

BACKGROUND AND PURPOSE OF ACTION: MnDOT was awarded funding from Federal Transit Administration (FTA) Section 5310 Enhanced Mobility for Seniors and Persons with Disabilities program, which is funded by FTA through MnDOT’s Office of Transit. The selection of these projects is done through grant applications submitted to FTA. The three 2019 projects will be completed prior to adoption of the 2019-2022 STIP. Therefore, an amendment into the current TIP is needed.

RELATIONSHIP TO REGIONAL POLICY: Federal law requires that all transportation projects that will be funded with federal funds must be in an approved TIP and meet the following four tests: fiscal constraint; consistency with the adopted regional transportation plan; air quality conformity; and opportunity for public input. It is the TAB’s responsibility to adopt and amend the TIP per these four requirements.

STAFF ANALYSIS: The TIP amendment meets fiscal constraint because the local and federal funds are sufficient to fully fund the project. The amendment is consistent with the Transportation Policy Plan, adopted by the Metropolitan Council on January 14, 2015 and with FHWA/FTA conformity determination established on March 13, 2015. The Minnesota Interagency Air Quality and Transportation Planning Committee determined that the projects are exempt from air quality conformity analysis. Public input opportunity for this amendment is provided through the TAB’s and Council’s regular meetings.

COMMITTEE ACTION: This amendment meets the criteria for using the TAB’s streamlined TIP amendment process and was recommended for streamlining by the TAC Executive Committee.

Please amend the 2018-2021 Transportation Improvement Program (TIP) to include three projects in program year 2019. These projects are being submitted with the following information:

1. Briefly describe why amendment is needed (e.g., project in previous TIP but not completed; illustrative project and funds now available; discretionary funds received; inadvertently not included in TIP).

This amendment will specifically identify Section 5310 Large Urban Mobility Management projects for program year 2019. The 2018-2021 STIP needs to be amended since the grant application for these projects will be written prior to approval of the 2019-2022 STIP.

Section 5310: the Enhanced Mobility for Seniors and Persons with Disabilities program is funded by FTA through MnDOT's Office of Transit. The final selection and award of these on-going Mobility Management projects is done through grant applications submitted to MnDOT. The timing of final project selection is not compatible with the FTA grant application deadlines which will need to be met in order to execute grant contracts for calendar year 2019.

2. How is Fiscal Constraint Maintained as required by 23 CFR 450.216 (check all that apply)?

- New Money (FTA Section 5310 Program Fund) X
- Anticipated Advance Construction
- ATP or MPO or MnDOT Adjustment by deferral of other projects
- Earmark or HPP not affecting fiscal constraint
- Other

The funds available for these grants are from a setaside in District C; TRF-9110-10, Seq. # 2076. These funds are sufficient to fully fund the project. Therefore, fiscal constraint is maintained.

CONSISTENCY WITH MPO LONG RANGE PLAN:

This amendment is consistent with the Metropolitan Council Transportation Policy Plan, adopted by the Metropolitan Council on January 14, 2015, with FHWA/FTA conformity determination established on March 13, 2015.

AIR QUALITY CONFORMITY:

- Subject to conformity determination
- Exempt from regional level analysis X*
- N/A (not in a nonattainment or maintenance area)

*Exempt from regional level analysis: O-1 (Planning, training, and research activities)
