

Transportation Advisory Board
of the Metropolitan Council of the Twin Cities

ACTION TRANSMITTAL No. 2019-36

DATE: August 14, 2018
TO: Transportation Advisory Board
PREPARED BY: Joe Barbeau, Senior Planner (651-602-1705)
SUBJECT: 2020-2023 Transportation Improvement Program (TIP)
REQUESTED ACTION: That the Transportation Advisory Board (TAB) adopt the 2020-2023 Transportation Improvement Program (TIP).
RECOMMENDED MOTION: Recommend that the Transportation Advisory Board adopt the 2020-2023 Transportation Improvement Program (TIP) inclusive of changes approved in the public comment report (AT No. 2019-35).

BACKGROUND AND PURPOSE OF ACTION: Federal regulations require that a Transportation Improvement Program (TIP) be developed at least every four years. The Metropolitan Council revises its TIP every year in conjunction with the Minnesota Department of Transportation's State Transportation Improvement Program (STIP). The final 2020-2023 TIP is attached.

RELATIONSHIP TO REGIONAL POLICY: Federal law requires that all transportation projects that will be partially funded with federal funds must be in an approved Transportation Improvement Program and meet the following four tests:

- Fiscal constraint;
- Consistency with the adopted regional transportation plan (TPP);
- Air quality conformity; and
- Opportunity for public input.

It is the TAB's responsibility to adopt and amend the TIP according to these four requirements.
