

# ***2040 Transportation Policy Plan*** **2020 Update**

TAB 01/15/2020

# 2050 Metropolitan Development Guide

- 2020 Census kicks off next cycle of regional planning
- Work efforts for 2050 Regional Plan (Regional Development Guide) start 2020, intensify into 2023, draft review and adoption in 2024
- System plans (Transportation, Aviation, Wastewater, Parks) will be developed on essentially the same schedule

# 2050 Plan Timeline

Adoption of the 2050 Plan will occur in mid to late 2024, but there are many activities that will need to occur to get us there....

- 2020 Census and results expected 2022
- Analysis of census data and 2050 regional forecast development
- Regional performance monitoring and evaluation of trends on major outcomes
- System planning studies
- In-depth outreach, engagement and communication with regional partners and public
- Identification of regional focus areas and refined regional outcomes

# System Plan Updates

- Current *2040 Transportation Policy Plan* adopted October 2018
- To comply with federal law, Transportation Policy Plan will require an update prior to 2024
  - Under state law, TPP is due in 2024 in coordination with 2050 Plan, under federal law next plan is due December 2023
  - TPP must cover a minimum period of 20 years at time of adoption; any update after 2020 will require covering a time span beyond 2040
- Current Parks Plan adopted November 2018
- Commitment to regional partners to update Parks Plan in 2020; incorporate a process for system additions

# TPP 2020 Update Focus

- Outreach and review of current plan policies and investment direction
- Identification of issues and topics requiring additional study – 4-year work plan to prepare for the 2050 Update
- Planned studies:
  - Climate crisis and transportation issues, path to regional fleet electrification
  - Regional highway mobility needs and priorities
  - Network Next and Arterial BRT priorities
  - Other topics ???
- After 2020 Update, plan can be amended to incorporate completed study results or new funding and investments

# TAC Planning Review Schedule

- Review will consist of reviewing and commenting on existing plan – no major changes anticipated at this point (fiscal status and major investments have not changed since 2018 adoption)
- December 2019, approve UPWP amendment with 2040 TPP update work item
- January 2020, review and comment on existing plan Overview, Chapter 1 and Work Plan
- February 2020, review and comment on existing investment chapters (highways, transit, bicycle, pedestrian, freight) with minor edits identified and incorporated
- March 2020, review and comment on CMP, Performance Outcomes and all other chapters and appendices
- April 2020, recommend release for public comment
