Streamlined TIP Amendment – St. Michael Multiuse Trail

To: Transportation Advisory Board
From: Technical Advisory Committee
Prepared By: Joe Barbeau, Senior Planner, 651-602-1705

Requested Action

St. Michael requests an amendment to the 2024-2027 TIP to add construction of a multiuse trail to Wright CSAH 35 in St. Michael.

Recommended Motion

That the Transportation Advisory Board adopt an amendment to the 2024-2027 TIP to add construction of a multiuse trail to Wright CSAH 35 in St. Michael.

Background and Purpose

The City of St. Michael was awarded Carbon Reduction Program (CRP) funding for construction of a trail along Wright CSAH 35 from Jamison Avenue to County Road 119 (4th St. NE).

This project is not funded through the Regional Solicitation. The project is within the MPO Planning Area.

Relationship to Regional Policy

Federal law requires that all TIP amendments meet the following tests: fiscal constraint; consistency with the adopted regional transportation plan; and opportunity for public input. It is the TAB's responsibility to recommend TIP amendments to the Council for adoption, provided these requirements are met.

Staff Analysis

The TIP amendment meets fiscal constraint because the federal, state, and local funds are sufficient to fully fund the project. This amendment is consistent with the Metropolitan Council Transportation Policy Plan, adopted by the Metropolitan Council on November 18, 2020, with FHWA/FTA conformity determination established on December 4, 2020. Public input opportunity for this amendment is provided through the TAB's and the Council's regular meetings.

Committee Comments and Action

At its October 4, 2023, meeting, the Technical Advisory Committee voted unanimously to recommend adoption of an amendment to the 2024-2027 TIP to add construction of a multiuse trail to Wright CSAH 35 in St. Michael.
