2025-2028 Streamlined TIP Amendment Request – MVTA's Apple Valley Transit Station Modernization

To: Transportation Advisory Board

From: Technical Advisory Committee

Prepared by: Joe Barbeau, Planning Analyst, 651-602-1705

Requested action

MVTA requests an amendment to the 2025-2028 Transportation Improvement Program (TIP) to add its Apple Valley Transit Station Modernization project.

Recommended motion

That the Transportation Advisory Board recommend approval of an amendment to the 2025-2028 Transportation Improvement Program to add MVTA's Apple Valley Transit Station Modernization project.

Background and purpose

The request is to add this project, which had been included in the 2024-2027 as a 2024 project, into the 2025-2028 TIP as a 2025 project. The reason for this is that the project was originally scheduled for a 2024 obligation but fell into 2025.

This project was funded in the Regional Solicitation. Because the funding was transferred to the Federal Transit Administration in 2024, this action does not impact the regional funding program.

Relationship to regional policy

Federal law requires that all TIP amendments meet the following tests: fiscal constraint; consistency with the adopted regional transportation plan; and opportunity for public input. It is the TAB's responsibility to recommend TIP amendments to the Council for adoption, provided these requirements are met.

Staff analysis

The TIP amendment meets fiscal constraint because the federal and local funds are sufficient to fully fund the projects. This amendment is consistent with the Metropolitan Council Transportation Policy Plan, adopted by the Metropolitan Council on February 12, 2025. Public input opportunity for this amendment is provided through the TAB's and the Council's regular meetings.

Committee comments and action

At its May 7, 2025, meeting, the Technical Advisory Committee recommended approval of an amendment to the 2025-2028 Transportation Improvement Program to add MVTA's Apple Valley Transit Station Modernization project.

2025-2028 TIP/STIP AMENDMENT REQUEST

Please amend the 2025-2028 Transportation Improvement Program (TIP) and State Transportation Improvement Program (STIP) to add the below project.

ATP and District	ATP M

Proposed Funds	FTA
Total \$	\$5,000,000
FHWA \$	\$4,000,000
State \$	\$0
Other \$	\$1,000,000

Background and TIP Amendment Need

This amendment request is to add a new 2025 project into the 2025-2028 STIP. This is needed to move \$4,000,000 FTA funds from 2024 in #TRS-TCMT-24L to 2025. These funds were transferred from FHWA to FTA and are in Metropolitan Council FTA unobligated balances. This is an existing project with no cost or scope changes.

Fiscal Constraint (as Required by 23 CFR 450.216)

These FTA funds are available in Metropolitan Council's FTA unobligated balances and are sufficient to fully fund this project, therefore, fiscal constraint is maintained.

Consistency with MPO Long-Range Plan

This amendment is consistent with the Metropolitan Council Transportation Policy Plan, adopted by the Metropolitan Council on February 12, 2025.
