**ACTION TRANSMITTAL – 2020-22**

**DATE:** April 24, 2020

**TO:** Technical Advisory Committee

**PREPARED BY:** Joe Barbeau, Senior Planner (651-602-1705)

**SUBJECT:** Streamlined 2020-2023 TIP Amendment for Hennepin County: US 12 Safety Improvement Study

**REQUESTED ACTION:** Hennepin County requests an amendment to the 2020-2023 Transportation Improvement Program to add a Safety Improvement Study on US 12 (SP # 2713-134).

**RECOMMENDED MOTION:** That the Technical Advisory Committee recommend approval of an amendment to the 2020-2023 Transportation Improvement Program to add Hennepin County’s Safety Improvement Study on US 12 (SP # 2713-134).

**BACKGROUND AND PURPOSE OF ACTION:** This amendment is needed to add a new Highway Safety Improvement (HSIP) study into fiscal year 2021 of the 2020-2023 Transportation Improvement Program.

This study is funded through HSIP Section 164 funds, which are programmed by MnDOT.

**RELATIONSHIP TO REGIONAL POLICY:** Federal law requires that all transportation projects that will be funded with federal funds must be in an approved TIP and meet the following four tests: fiscal constraint; consistency with the adopted regional transportation Plan; air quality conformity; and opportunity for public input. It is the TAB’s responsibility to adopt and amend the TIP per these requirements.

**STAFF ANALYSIS:** This TIP amendment meets fiscal constraint because the federal and local funds are sufficient to fully fund the project. The amendment is consistent with the Transportation Policy Plan, adopted by the Metropolitan Council on October 24, 2018, as amended on April 24, 2019, with FHWA/FTA conformity determination established on May 9, 2019. The Minnesota Interagency Air Quality and Transportation Planning Committee determined that the project is exempt from air quality conformity analysis. Public input opportunity for this amendment is provided through the TAB’s and Council’s regular meetings.
