2024 Regional Solicitation

Applications Received and Next Steps

- The open application period closed December 15th
 - 127 applications received
 - \$445 million of federal funds requested + \$377M of match funds = projects totaling \$822M
- Qualification appeals were heard at the January F&P meeting with some additional information requested on some apps.
- Scoring committees have been formed to score and rank the projects with meetings already starting; scoring will take the next two months
 - TAB volunteers will score the unique projects
- Based on TAB input, funding scenarios will be developed in the spring/summer leading to project selection by TAB in July.
