2025-34: 2026 Active Transportation Minimum and Maximum Awards - Motion

RECOMMENDED MOTION

Recommend that the Transportation Advisory Board approve a minimum and maximum award for each 2026 Active Transportation funding category as follows:

- Local Bike Facilities – Minimum: \$150,000. Maximum: \$3,500,000.
- Local Bike Facilities – Minimum: \$150,000. Maximum: \$2,500,000.
- Active Transportation Planning – Minimum: N/A. Maximum: \$200,000.

2025-34: 2026 Active Transportation Minimum and Maximum Awards

Proposed Category	2024 Max	2026 Min	2026 Max
Local Bike Facilities	\$5,500,000	\$150,000	\$3,500,000
Local Pedestrian Facilities	\$2,000,000	\$150,000	\$2,500,000
Active Transportation Planning	N/A	None	\$200,000

2024 maximums are based on federal maximums. The lower number for Local Bike Facilities reflects the less-regional aim of the category. The \$5.5 million maximum is proposed to remain as part of the federal Regional Bike Facilities category.

2025-35: 2026 Regional Solicitation Modal Funding Targets

2024 Funding Ranges and Historical Funding

	Bicycle and Pedestrian Facilities	Transit and TDM	Roadways
Modal Funding Ranges	9%-20%	25%-35%	46%-65%

Proposed 2026 Funding

		Safety	Bike/Ped	Transit	Roadway	Environment
# of application categories		2	1	2 + ABRT	4	2
	Target	\$30 million (12%)	\$35 million (14%)	\$60 million (24%)	\$110 million (44%)	\$15 million (6%)

2025-35: 2026 Regional Solicitation Modal Funding Targets - Motion

RECOMMENDED MOTION

Recommend that the Transportation Advisory Board approve the following federal funding targets for the 2026 Regional Solicitation:

- 12% to Safety
- 14% to Bike and Pedestrian
- 24% to Transit
- 44% to Roadways
- 6% to Environment

2025-36: 2026 Active Transportation Funding Targets

With approximately \$50 million to spend, the Active Transportation Working Group recommends a \$2 million target for planning.

The Working Group did not recommend targets for the Local Bike Facilities and Local Pedestrian Facilities categories as the demand in each category is difficult to predict.

2025-36: 2026 Active Transportation Funding Targets - Motion

RECOMMENDED MOTION

Recommend that the Transportation Advisory Board approve a \$50 million funding target for the 2026 Active Transportation Solicitation and a sub-target of \$2 million for the active transportation planning category.
