

ACTION TRANSMITTAL No. 2018-13

DATE: January 12, 2018

TO: TAC Funding and Programming Committee

PREPARED BY: Joe Barbeau, Senior Planner (651-602-1705)

SUBJECT: 2018-2021 TIP Amendment: Minneapolis University of Minnesota Protected Bikeways Project

REQUESTED ACTION: The City of Minneapolis requests an amendment to the 2018-2021 Transportation Improvement Program (TIP) to amend the scope of its University of Minnesota Protected Bikeways Project (SP # 141-030-041).

RECOMMENDED MOTION: That the TAC Funding and Programming Committee recommend to the Technical Advisory Committee approval of an amendment to the 2018-2021 Transportation Improvement Program (TIP) to amend the scope of The City of Minneapolis's University of Minnesota Protected Bikeways Project (SP # 141-030-041).

BACKGROUND AND PURPOSE OF ACTION: This amendment is needed to remove the 0.5-mile segment of 10th Ave Bridge between University Ave SE and 2nd St S and add a 0.25-mile segment to 10th Ave SE between 5th St SE and 8th St SE on the University of Minnesota Protected Bikeways Project (SP # 141-030-041). Removal of the bridge from the project is necessary because the work will be completed on a separate 10th Avenue Bridge project.

This action accompanies a scope change request that could result in a change to the FHWA (and, therefore, "other") funding amounts shown on the attached request. If so, a motion should reflect these updated funding amounts.

RELATIONSHIP TO REGIONAL POLICY: Federal law requires that all transportation projects that will be funded with federal funds must be in an approved TIP and meet the following four tests: fiscal constraint; consistency with the adopted regional transportation plan; air quality conformity; and opportunity for public input. It is the TAB's responsibility to adopt and amend the TIP according to these four requirements.

STAFF ANALYSIS: The TIP amendment meets fiscal constraint because the federal and local funds are sufficient to fully fund the project. This amendment is consistent with the Metropolitan Council Transportation Policy Plan, adopted by the Metropolitan Council on January 14, 2015, with FHWA/FTA conformity determination established on March 13, 2015. The Minnesota Interagency Air Quality and Transportation Planning Committee determined that the project is exempt from air quality conformity analysis. Public input opportunity for this amendment is provided through the TAB's and the Council's regular meetings. Approval of this TIP amendment is dependent on approval of the accompanying scope change request.

ROUTING

TO	ACTION REQUESTED	DATE COMPLETED
TAC Funding & Programming Committee	Review & Recommend	
Technical Advisory Committee	Review & Recommend	
Transportation Advisory Board	Review & Adopt	
Metropolitan Council Transportation Committee	Concur	
Metropolitan Council	Concur	

Please amend the 2018-2021 Transportation Improvement Program (TIP) to include this project in program year 2019. This project is being submitted with the following information:

PROJECT IDENTIFICATION:

PROJECT BACKGROUND:

- Briefly describe why amendment is needed (e.g., project in previous TIP but not completed; illustrative project and funds now available; discretionary funds received; inadvertently not included in TIP).

This amendment is needed to remove the 0.5-mile segment of 10th Ave Bridge between University Ave SE and 2nd St S and add a 0.25-mile segment to 10th Ave SE between 5th St SE and 8th St SE.

- How is Fiscal Constraint Maintained as required by 23 CFR 450.216 (check all that apply)?
 - New Money
 - Anticipated Advance Construction
 - ATP or MPO or MnDOT Adjustment by deferral of other projects
 - Earmark or HPP not affecting fiscal constraint
 - Other ✓

The federal funds currently programmed on the project are sufficient for this project, therefore, fiscal constraint is maintained.

CONSISTENCY WITH MPO LONG RANGE PLAN:

This amendment is consistent with the Metropolitan Council Transportation Policy Plan, adopted by the Metropolitan Council on January 14, 2015, with FHWA/FTA conformity determination established on March 13, 2015.

AIR QUALITY CONFORMITY:

- Subject to conformity determination
- Exempt from regional level analysis ✓
- N/A (not in a nonattainment or maintenance area)

*Exempt Project Category A-Q2, Bicycle and pedestrian facilities, per Section 93.126 of the Conformity Rules.
