

# 2040 TPP Amendment #2

US 10 in Coon Rapids and US 169 in Scott County

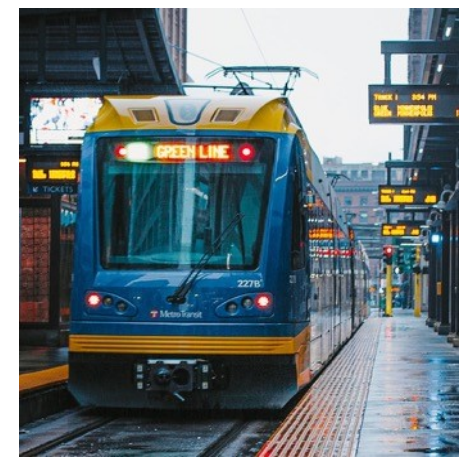

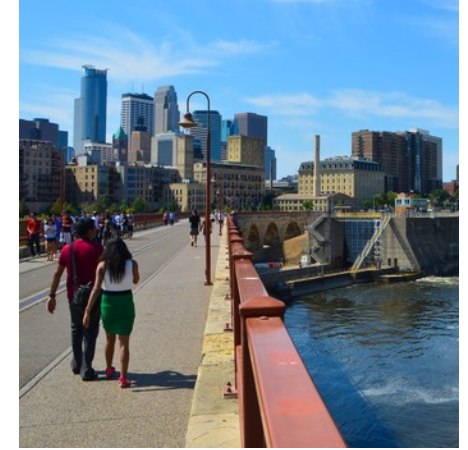

July 2023

Dave Burns, Planning Analyst

[metro council.org](http://metro council.org)

# Overview

- TPP amendment requirements
- US 10 Congestion Mitigation project location and background
- US 169/County State Aid Highway (CSAH) 59 interchange project location and background
- Next steps

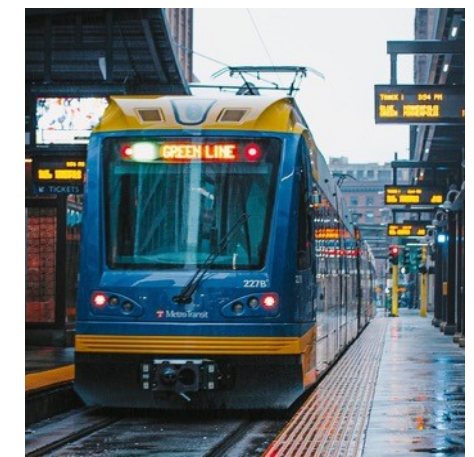

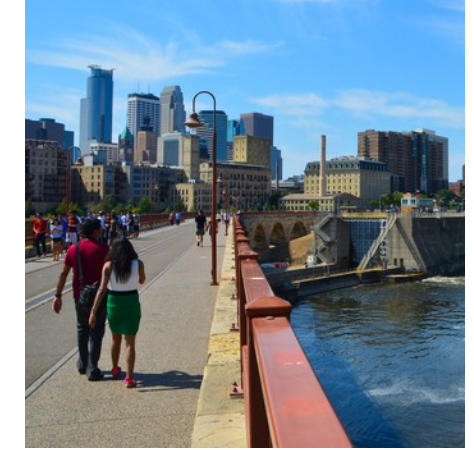

# 2040 Transportation Policy Plan (TPP) Amendment Requirements

## Amendment required due to highway project type:

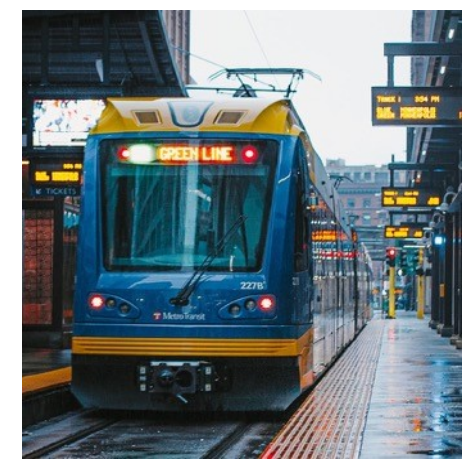

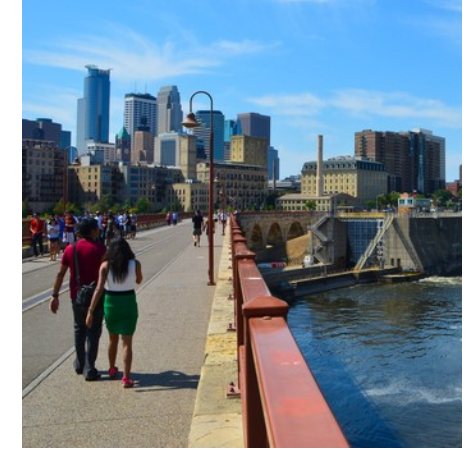

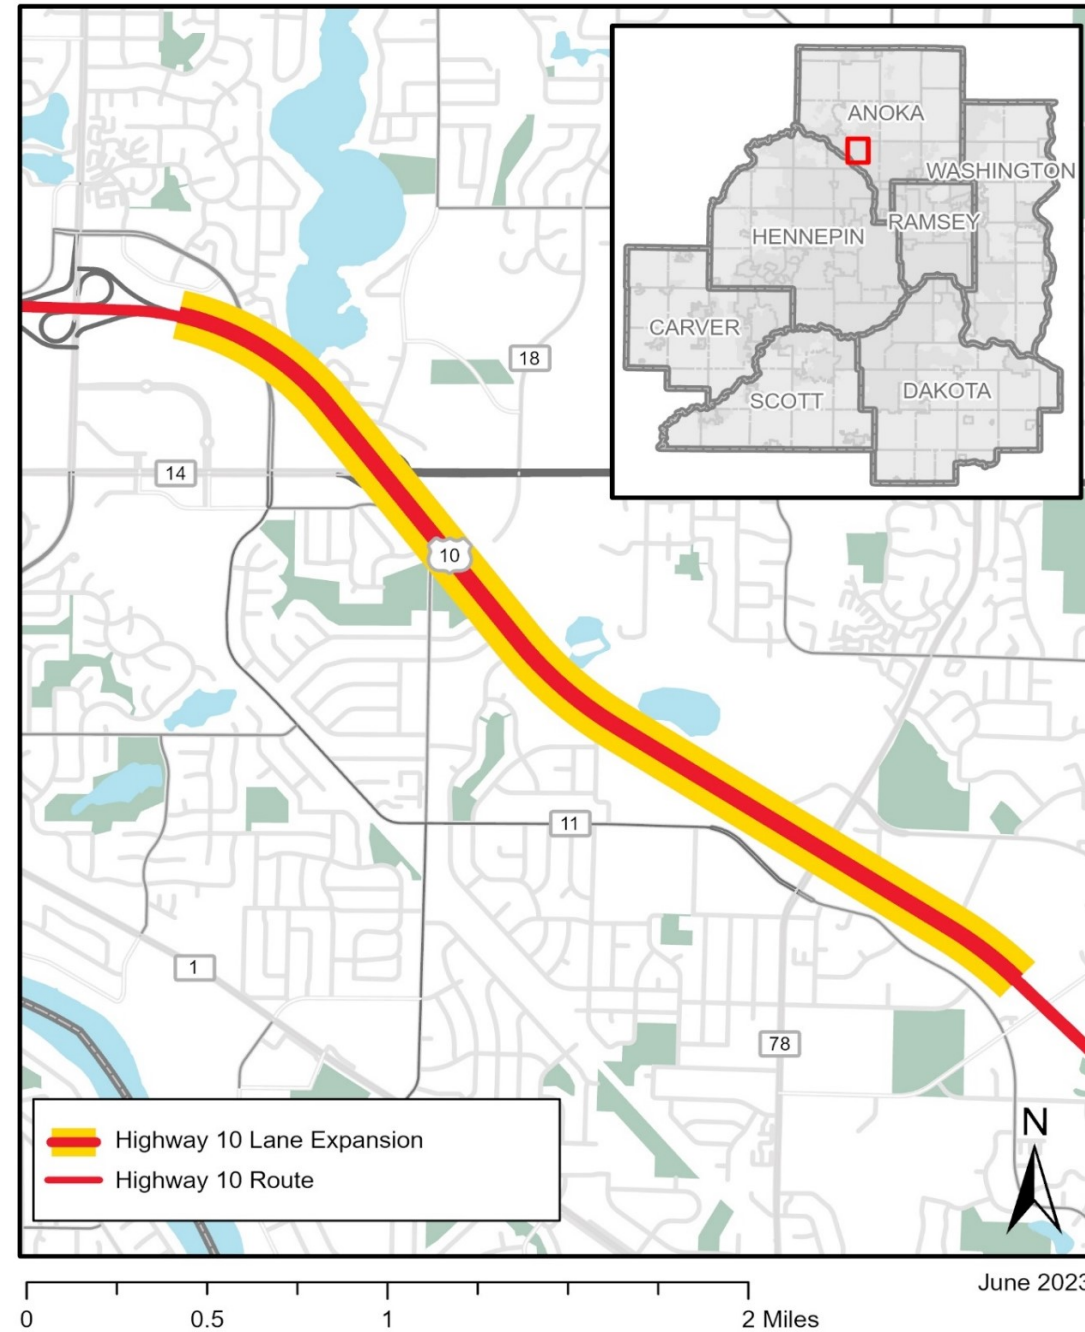

- Adding lanes to US 10, a principal arterial
- Adding a new interchange to US 169, a principal arterial

## Highway projects are added to the fiscally constrained TPP when the following criteria are met:

- Documentation is submitted showing how the project can be built with revenue in the fiscally constrained plan (or reasonable proposed additional revenues);
- The proposal is consistent with the goals, objectives, and strategies of the 2040 TPP; and
- Public involvement is conducted.

# US Highway 10 between CSAH 9 and CSAH 78

# US 10 Project Impacts to 2040 TPP

## Funding

- \$30,000,000
- Fully funded by the 2023 Transportation Omnibus bill

## Consistency with the 2040 TPP

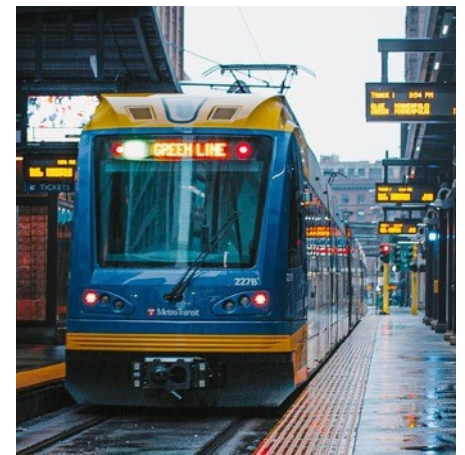

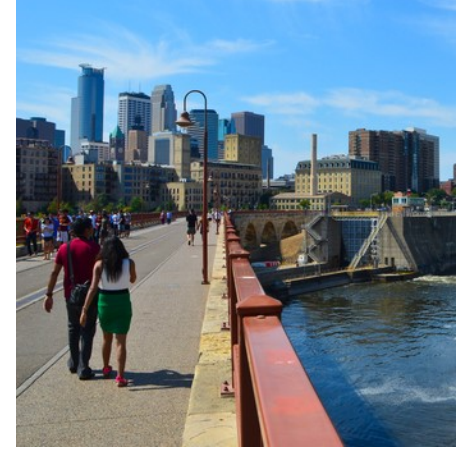

- Aligns with Safety & Security, Access to Destinations, and Competitive Economy goals

## Public Input

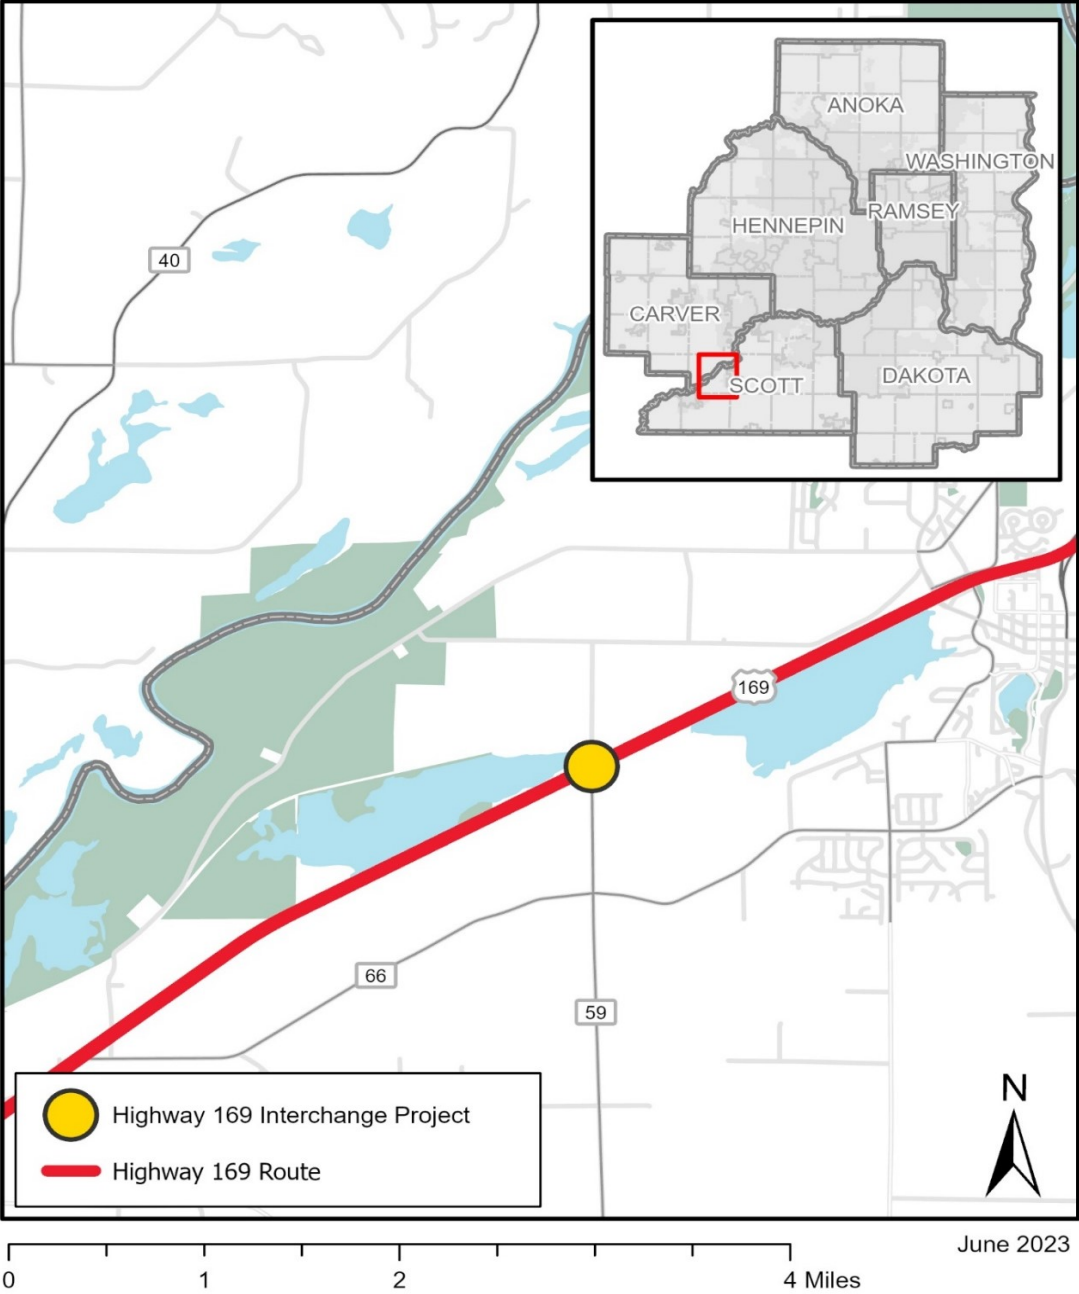

- Forthcoming public comment period

## Timeframe

- 2025-2029

# US 169/CSAH 59 Interchange

# US 169 Interchange Project Impacts to 2040 TPP

## Funding

- \$14,400,000
- Fully funded by local option sales tax funds

## Consistency with the 2040 TPP

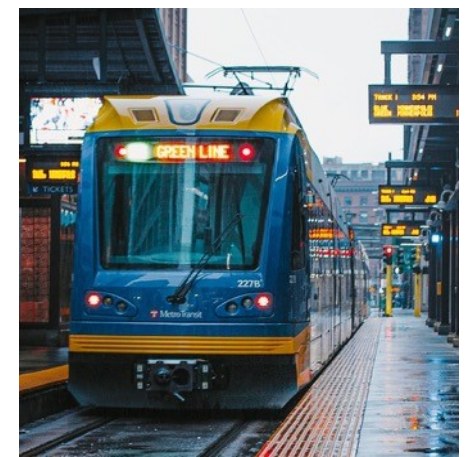

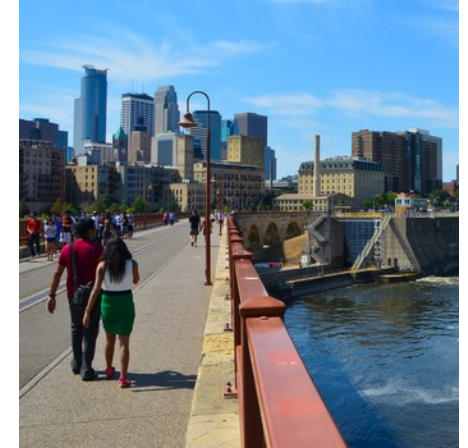

- Aligns with Safety & Security, Access to Destinations, and Competitive Economy goals

## Public Input

- Forthcoming public comment period

## Timeframe

- 2024-2029
