### **Proposed Action**

Information only.

### **Background**

The TOD Strategic Action Plan, which kicked off in 2012, is nearing its completion. Through this presentation, Ms. Bell and Ms. Hansen will provide a brief status report on the project. They will then provide an overview discussion on the issues of potential Council policies on TOD and Joint Development.

### **Rationale**

N/A

### **Funding**

The TOD Strategic Action Plan was funded with \$100,000 from the General Fund.

### **Known Support / Opposition**

Through the TOD Strategic Action Plan, the Council has engaged dozens of stakeholder organizations and partners from multiple sectors. From the start, the objective of the project has been for the Council to only explore and fulfill roles that are helpful to and supportive of its partners. That direction continues today.
