Proposed Action

That the Transportation Committee adopt the attached list as its 2013 Work Plan.

Background

Each year the Transportation Committee approves an annual work plan to guide its business and agenda. Staff has prepared the Transportation Committee 2013 work plan (attached).

The proposed work plan includes special projects anticipated to occur in 2013 as well as policy topics. Core business functions essential to the ongoing business of the Council and information items are included. Outreach to external transportation partners and projects are also included.

Rationale

The Transportation Committee's annual work plan is intended to be a guide to the committee's work that is flexible and can be amended.
