

Transportation Committee Fare Policy Update

*Nick Eull
Senior Manager of Revenue
Operations
March 12th, 2018*

Continue Fare Policy Discussions

- Gather more information related to fare policy on:
 - Fare policy goals (including fare recovery across all modes)
 - How should fare adjustments be considered/scheduled
 - Equity considerations in fare adjustments
 - Distance-based and reverse commute fares
 - Fare simplification

Annual Council Updates

- Fare recovery report will be included in the annual budget process
 - Provides Council with ongoing opportunities to review and evaluate progress

Fare Policy Next Steps

- Identify key fare policy ideas for further analysis (December 2017)
- Peer and market research on fare policy trends and opportunities (2nd Quarter 2018)
 - Work with outside consultant group to do fare policy research
 - Analysis will include review of peer agency fare policies and industry trends related to fare increases and funding structures
 - Public feedback process
 - Council action to consider and update fare policy
- Review 1st year TAP results and provide recommendations for program growth (June 2018)
