Proposed Action

That the Metropolitan Council adopt the attached resolution 2019-10 to set the regular meeting schedule of the Transportation Committee, effective beginning July 1, 2019.

Background

The Metropolitan Council and other public bodies that are subject to the Minnesota Open Meeting Law are required to adopt a schedule of their regular meetings. (Minn. Stat. § 13D.04, subd. 1.)

The Council establishes its regular meetings, and the regular meetings of its committees, by resolution.

The Council-adopted schedule of regular meetings currently provides that regular meetings of the Transportation Committee are held the 2nd and 4th Mondays of each month at 4 p.m. These regular meetings are held at the Robert Street offices January through June and at the F.T. Heywood (Heywood) offices July through December.

However, the Heywood Chambers are currently closed for construction, and there are not suitable places to hold Transportation Committee meetings at Heywood aside from the Chambers.

Resolution 2019-10 would establish that regular meetings of the Transportation Committee are held at Robert Street beginning on July 1, 2019. Following Heywood Chambers construction, Metro Transit intends to return to the Metropolitan Council with a subsequent resolution to return regular meetings of the Transportation Committee to Heywood for a portion of each year.

Rationale

This resolution will allow the Transportation Committee to hold regular meetings at Robert Street effective beginning July 1, 2019.

A resolution is required in order to make the July-December 2019 Robert Street meetings “regular” meetings. If the Council or one of its committees decides to hold a meeting at a time or place different than the time or place of a regular meeting, that meeting is a “special meeting” for which the Council must give at least three calendar days’ notice of the “date, time, place, and purpose of the [special] meeting.” Minn. Stat. § 13D.04, subd. 2(a). Agenda items for a special meeting can be removed, but business or information items not on the posted notice of the special meeting cannot be added or considered at the committee meeting.

Thrive Lens Analysis

By adopting this resolution that sets regular meetings at Robert Street beginning on July 1, 2019, the Transportation Committee meeting schedule is clearer to members of the public. This supports Thrive principles of collaboration and accountability.
