Division/Department: Transportation / Metropolitan Transportation Services

Proposed Action

That the Metropolitan Council approve an amendment to the 2019-2022 Transportation Improvement Program (TIP) to add construction of a roundabout in Norwood Young America.

Background

This amendment is needed to add a new federally funded project to the 2019-2022 TIP. Following TAB approval of the 2018 Regional Solicitation program of projects, this project was incorporated into the draft 2020-2023 TIP. The project needs to be added to the 2019-2022 TIP, which remains in effect during federal review of the 2020-2023 State Transportation Program (STIP). This review, which enables the TIP to be in effect, is lasting longer than anticipated.

Rationale

The Transportation Advisory Board and the Metropolitan Council approve formal amendments to the TIP. The project is consistent with the Transportation Policy Plan (TPP) and meets fiscal constraint because the federal and local funds are sufficient to fully fund the project. The Minnesota Interagency Air Quality and Transportation Committee determined that the project is exempt from air quality conformity analysis.

Thrive Lens Analysis

This action promotes stewardship by enabling the project to be completed on time.

Funding

The project is fully funded with local and federal funds.

Known Support / Opposition

No known opposition.

Please amend the 2019-2022 Transportation Improvement Program (TIP) to include this project in program year 2020. This project is being submitted with the following information:

SH	Roundabout(s)	HSIP	\$2,289,600	\$1,346,400	\$644,000	\$299,200

PROJECT BACKGROUND:

1. Briefly describe why amendment is needed (e.g., project in previous TIP but not completed; illustrative project and funds now available; discretionary funds received; inadvertently not included in TIP).

This amendment is needed to add a new federally funded project into the 19-22 STIP. This project is already reflected in the 2020-23 TIP/STIP and this amendment will match that TIP/STIP in case the 2019-22 STIP is still in effect at letting.

2. How is Fiscal Constraint Maintained as required by 23 CFR 450.216 (check all that apply)?

- New Money
- Anticipated Advance Construction
- ATP or MPO or MnDOT Adjustment by deferral of other projects
- Earmark or HPP not affecting fiscal constraint
- Other X

This project is currently programmed/budget balanced in the submitted 20-23 STIP but due to authorizing prior of the approved STIP documentation we are adding to the active 19-22 STIP; therefore fiscal constraint is maintained.

CONSISTENCY WITH MPO LONG RANGE PLAN:

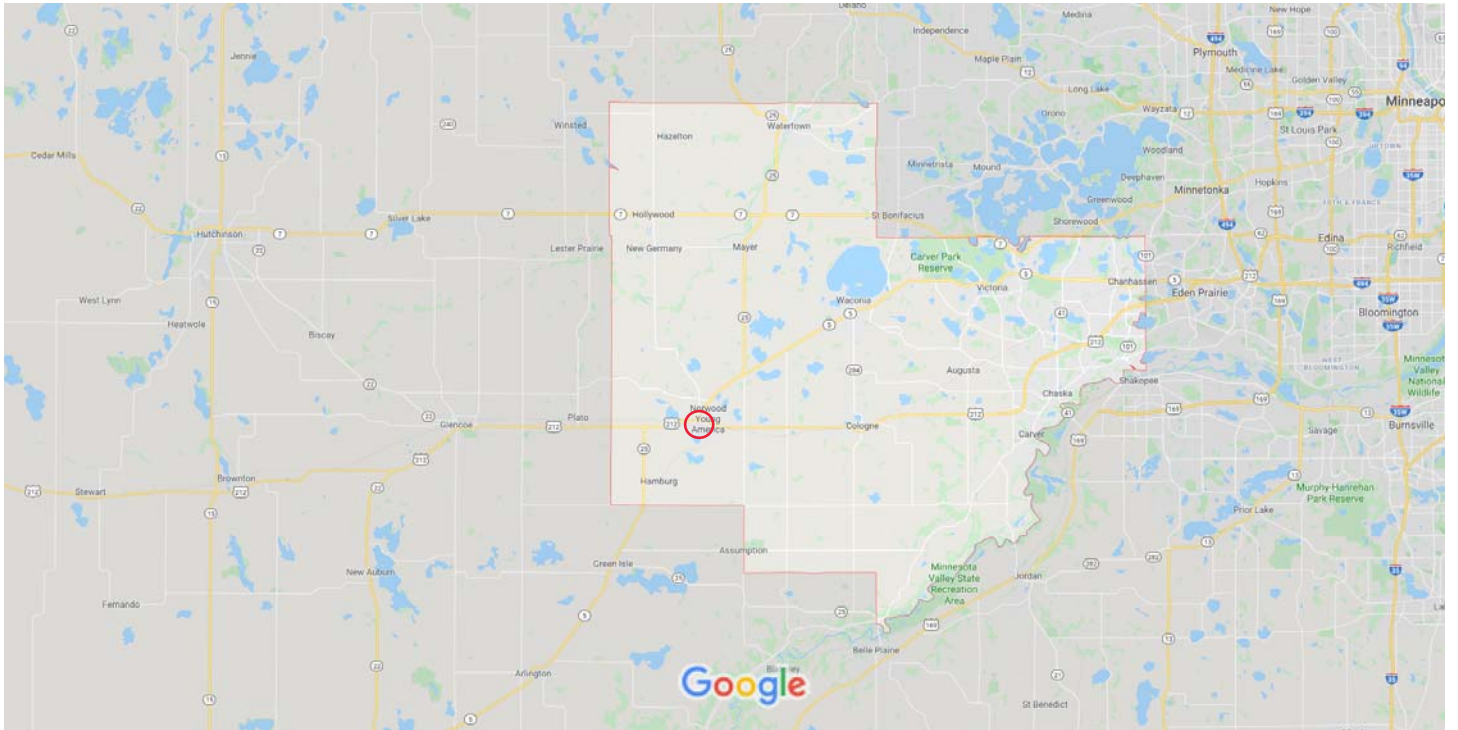

This amendment is consistent with the Metropolitan Council Transportation Policy Plan, adopted by the Metropolitan Council April 24, 2019 with FHWA/FTA conformity determination established on May 9, 2019.

AIR QUALITY CONFORMITY:

- Subject to conformity determination
- Exempt from regional level analysis X*
- N/A (not in a nonattainment or maintenance area)

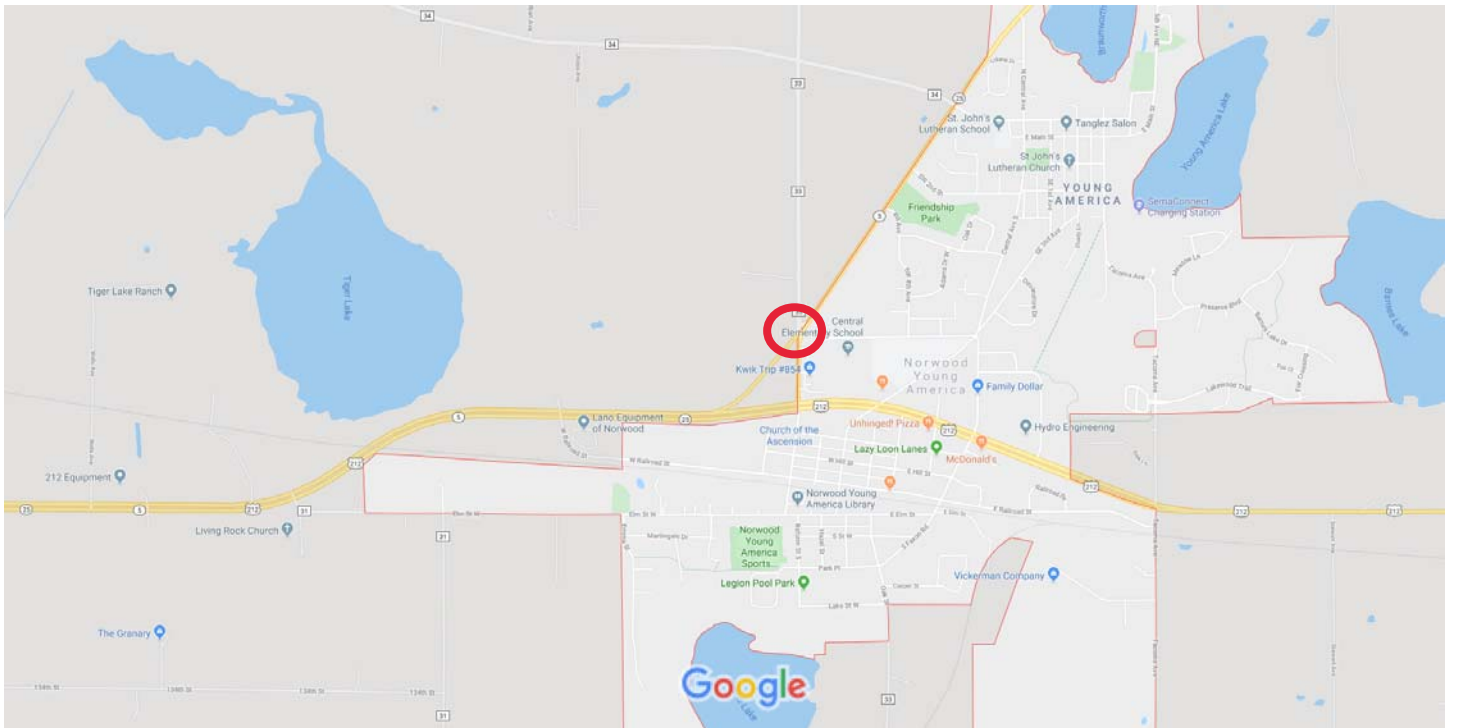

*Exempt Project Category E-3. Interchange reconfiguration projects per Section 93.126 of the Conformity Rules
