Division/Department:	Metro Transit / METRO Purple Line Project Office

Proposed Action

That the Metropolitan Council (“the Council”) authorize the Regional Administrator to negotiate and execute Subordinate Funding Agreement #2 (211147B) with the Minnesota Department of Transportation (“MnDOT”) in an amount not to exceed \$1,728,837.

Background

In 2021, the Council entered into a Master Funding Agreement (MFA) with MnDOT for the development of the METRO Purple Line Bus Rapid Transit Project (“the Purple Line Project”). Each Subordinate Funding Agreement (SFA) under the MFA provides a method for the transfer of funds and defines the specific purpose of the expenditures.

This SFA will allow the Council to reimburse MnDOT for eligible professional services incurred during calendar year 2023 that are related to the Purple Line Project including engineering, design review, right-of-way work, and structural design review.

Rationale

Use of MnDOT staff is a cost-effective way to provide expertise in areas such as engineering and design, construction oversight, permitting, and right-of-way coordination.

Council Policy requires Interagency Agreements valued at greater than \$500,000 be approved by the Council.

Thrive Lens Analysis

Investment in high-quality transportation options will advance the Thrive outcome of prosperity, by making the region more economically competitive through increased workers’ access to

employment, and support to employers by increasing available workforce with affordable, convenient transportation.

The Purple Line Project advances the Equity outcome by distributing transit resources throughout the region and improving access to jobs, educational opportunities, and health services to diverse communities.

Funding

Funding for this SFA is fully provided through an executed Capital Grant Agreement with Ramsey County and the Ramsey County Regional Railroad Authority and incorporated into the Council's Authorized Capital Budget under Project #61109.

Small Business Inclusion

There are no direct impacts to small business inclusion associated with the action.
