2024-27 TIP Amendment Request – MnDOT's US 169, CSAH 9, and MN 282 Interchange Improvements

District(s), Member(s): 4 – Barber

Policy/Legal Reference: TAB Action

Staff Prepared/Presented: Amy Vennewitz, Deputy Director, Finance & Planning (651-602-1508)
Steve Peterson, Manager of Highway Planning and TAB/TAC Process (651-602-1819)
Joe Barbeau, Planning Analyst, Planner (651-602-1380)

Division/Department: Transportation / Metropolitan Transportation Services (MTS)

Proposed Action

That the Metropolitan Council adopt an amendment to the 2024-2027 TIP to increase the cost and change sponsorship for parts of an interchange improvement project at US 169, CSAH 9, and MN 282 in Jordan and add a new locally funded roundabout.

Background

MnDOT, Scott County and the City of Jordan request a cost increase of the interchange improvement project at US 169, CSAH 9, and MN 282 in Jordan. Along with this, the request includes a sponsorship change from Scott County to MnDOT for one part of the project and the addition of a new locally funded roundabout at CSAH 9 and Valley View in Jordan. The original project cost is \$39,600,000 funded by \$24,124,000 from FHWA and \$15,476,000 in state and local funding. There are four state project numbers associated with this project and they describe a large and multijurisdictional effort from MnDOT, Scott County, and the City of Jordan to construct a variety of mobility and safety improvements.

Rationale

The Metropolitan Council approves formal amendments to the TIP. The projects are consistent with the Transportation Policy Plan (TPP) and meet fiscal constraint because the federal, state, and local funds are sufficient to fully fund the projects.

Thrive Lens Analysis

This action promotes *stewardship* by managing transportation resources.

Funding

The project is fully funded with federal, state, and local funds.

Small Business Inclusion

Four of the five projects included in this request are federally funded. The Minnesota Department of Transportation's State Aid office will oversee the federal requirements, including the DBE requirement. The fifth project is funded locally by Scott County.

Please amend the 2024-2027 Transportation Improvement Program (TIP) to amend these projects in program year 2025. The projects are being submitted with the following information:

Background and TIP Amendment Need

This amendment is needed to change SP 070-609-010R to SP 7008-112R, add associated SP 070-609-011 and increase the total project cost from \$39,600,000 to \$54,800,000.

Fiscal Constraint (as Required by 23 CFR 450.216)

The total project cost increase includes a federal change from \$24,124,000 to \$28,468,100 an increase of \$4,344,100 in SFY 2025. Because this is a 2025 project, it is included in draft 2025-2028 TIP and is due to be included in the final TIP and Minnesota STIP with the updated cost and will align its program to meet MnDOT 2025-2028 STIP funding guidance. Therefore, fiscal constraint is maintained.

Consistency with MPO Long-Range Plan

This amendment is consistent with the Metropolitan Council Transportation Policy Plan, adopted by the Metropolitan Council on November 18, 2020, with FHWA/FTA conformity determination established on December 4, 2020
