

Summary Report

Transportation Advisory Board

Meeting Date: July 17, 2024

Reports

1. **Chair's Report** – Hovland reported that the Regional Solicitation Policymaker Workgroup met prior to the TAB meeting.
2. **MnDOT Report** – Sahebjam reported that a lot of construction is going on in the metro area and they are coordinating with local agencies. The number of fatalities has gotten worse.
3. **MPCA** – There was no MPCA report.
4. **MAC Report** – Crimmins reported that domestic travel is 105% of 2019 level, international travel is 101%. Over July 4th weekend, TSA reported 50,000 people through security each day. Terminal 2 travel is up 23% over last year. Road construction on Hwy 55, I-494, Hwy 62, and Hwy 5 is causing disruptions and to look on the website to check on travel times. Installed Pentair water refill stations and have had 100,000 refills in a month and a half. Travel and Leisure Magazine rated MSP at the top north American airport.
5. **Metropolitan Council Report** – Barber reported that the Council and FTA have prepared Supplemental Draft Environmental Impact Statement for the Blue Line Extension. It is out for public comment. Comments will be accepted through August 6. The TPP will be released for public comment after Council action.
6. **Suburban Transit Association** – Hanson reported Suburban transit providers' ridership continues to increase, particularly special services. Minnesota Valley Transit Authority provided more than 30,000 rides over eight days of emergency shuttle service to Valleyfair due to flooding of Valleyfair's parking lot. SouthWest Transit is purchasing autonomous vehicles for use in its Prime ride-on-demand service. It is anticipated that during the first couple of years, an operator will be on board to assist riders as needed. To improve cost effectiveness, Plymouth Metrolink is evaluating downsizing to smaller buses for certain fixed routes, depending on demand.

Business

TAB approved the following items (forwarded to the Transportation Committee).

1. 2024-33: Streamlined TIP Amendment Request – MnDOT MN 121 and CSAH 22 Improvements Project (July 22, 2024, Transportation Committee)

The Transportation Advisory Board recommended that the Metropolitan Council adopt an amendment to the 2024-2027 TIP to increase the cost of MnDOT's MN 121 mill and overlay project and make a technical correction to its location (SP # 2728-52) and add a new project (SP # 2728-52S).
