District(s), Member(s):	All
Policy/Legal Reference:	2024 Unified Budget; Minn. Stat. § 473.13, subd. 1 – Council Budget Requirements
Staff Prepared/Presented:	Lesley Kandaras, General Manager, Metro Transit 612-349-7513; Edwin D. Petrie, Director of Finance, Metro Transit 612-349-7624
Division/Department:	Transportation / Metropolitan Transportation Services

Proposed Action

That the Metropolitan Council authorize the 2024 Unified Budget amendment as indicated, and in accordance with, the attached tables.

Background

That the Metropolitan Council amend the 2024 Unified Budget – Capital Program (annual appropriation) and Authorized Capital Program (multi-year authorization) as indicated and in accordance with the Capital Program – Attachment #1 (Program Level).

Capital Program – Attachment #3 (Project Level) is included for reference and informational purposes only.

Capital Program Metro Transit

Administrative Adjustments - None

Closing Projects and Reallocating Authorized Funding

This amendment makes several changes to arterial BRT project budgets to ensure timely encumbrance of 2020 state bonds before becoming subject to cancellation at the end of 2024:

- This amendment moves \$6,709,177 in 2020 state bond funds from the E Line project (61004) into the D Line project (62800). In exchange, \$3,903,660 in 2021 state appropriation funds, \$2,406,648 in RTC funds, and \$398,869 in MVST funds is moved from the D Line project into the E Line. There is no net change to authorized funds in either project.
- This amendment moves \$74,303 in 2020 state bonds funds from the E Line project (61004) into the B Line project (62802). In exchange, \$74,303 in RTC funds is moved from the B Line project into the E Line. There is no net change to authorized funds in either project.
- This amendment moves \$511,796 in 2020 state bond funds from the E Line project (61004) into the B Line project (62802) to reflect a shift in accounting for fiber optic network costs required for the B Line.

- This amendment moves \$377,291 in RTC from project 62801 into the E Line project (61004) and \$377,291 in 2020 state bond funds from the E Line project into the B Line project (62802), to reflect a shift in accounting for fiber optic network costs required for the B Line.
- This amendment moves \$1,128,598 in 2023 state bond funding from the G Line project (61225) into the E Line project (61004) and moves \$1,128,598 in 2020 state bond funding from the E Line to the B Line (62802). This follows a decision by Ramsey County and the Council to include \$1,128,598 of County-funded formerly local work outside of the capital program into the B Line project budget. The G Line project funding is intended to be replaced in a future budget amendment by new Ramsey County funding following Ramsey County board action.
- Reflecting the new Hennepin County E Line funding authorized in this amendment, this amendment moves \$1,698,835 in 2020 state bond funds from the E Line project (61004) into the B Line project (62802) to reflect the inclusion of project-eligible, County-funded formerly local work outside of the capital program into the B Line budget.

Authorize New Projects, Increase Authorization, and Reduce Authorization

Blue Line Extension LRT – Project #61403

This amendment will add \$166,480,000 in Hennepin County funds to the Blue Line Extension per Amendment 1 to the CGA as approved by the Metropolitan Council on 11/13/2024 and \$41,620,000 in HCRRA funds per Amendment 1 to the CGA as approved by the Metropolitan Council on 11/13/2024. This project is identified in the CIP.

E Line – Project #61004

Contingent on 12/12/2024 Hennepin County board action and 12/11/2024 Metropolitan Council authorization to execute Amendment #1 to Agreement 23I083, this amendment recognizes \$1,698,835 in new Hennepin County funding for the E Line project. This follows a decision by both agencies to include the same amount of project-eligible, County-funded formerly local work outside of the capital program into the B Line project budget. The offset County participation will be used to fund eligible E Line project costs.
