

Business Item 2025-7: Contract Amendment Authorization Contract # 23M006 (Remix transit planning tools)

Transportation Committee - Jan. 13, 2025

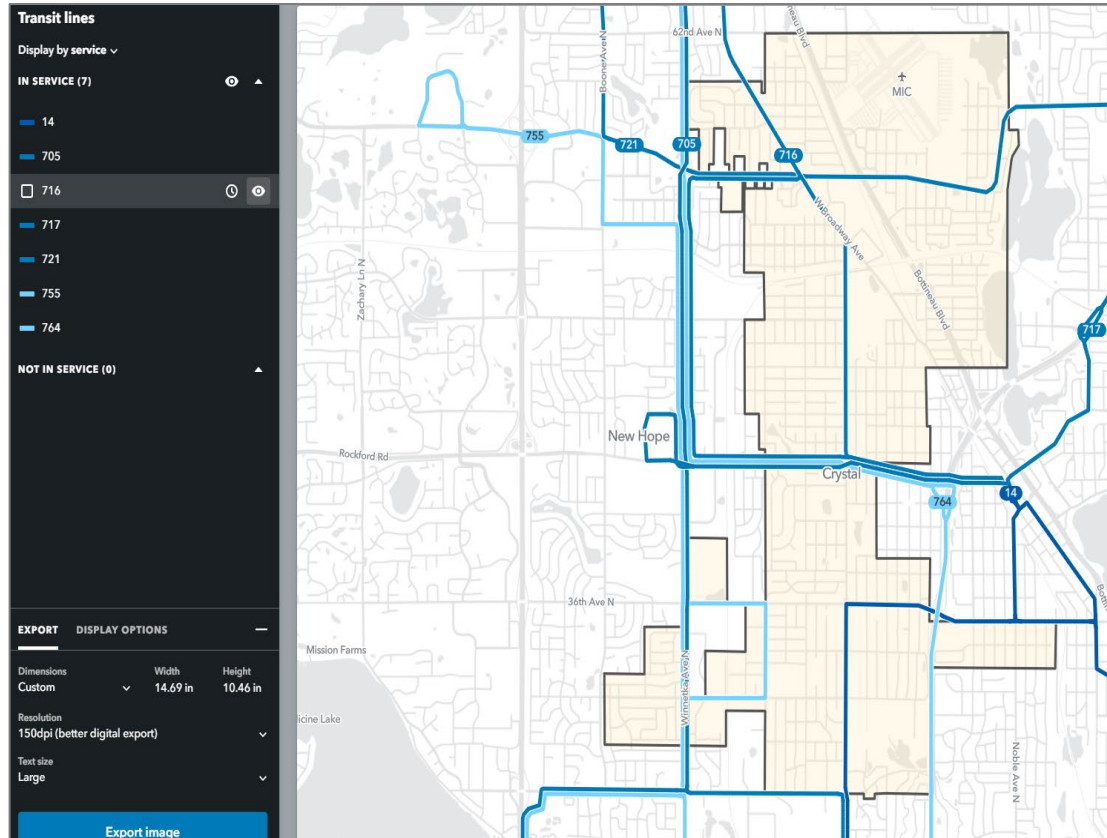

Overview of Remix Contract

- Metro Transit has been using Remix since 2019.
- Three Remix modules in use today:
 - Transit evaluates fixed route bus/rail networks
 - Streets explores roadway design scenarios
 - On-demand Planning evaluates micro transit scenarios
- Users include Service Development, Arterial BRT, E&F, and MTS.

Remix product: Transit

Accommodates design of a single bus line to an entire route network

Captures daily operating statistics by route or network

Line stats

VEHICLES

9 vehicles (Imported)

GEOMETRY

29.21 miles roundtrip

14.55 miles inbound + 14.65 miles outbound

212 stops

104 inbound stops + 108 outbound stops

734 ft apart

YEARLY TOTALS

\$4.25 million per year

42,468 hrs × \$100.00 per hr = \$4.25 million

42,468 hours

42,468 trip hrs + 0 layover hrs = 42,468 hrs

38,680 trips

562,122 miles

WEEKDAY TOTALS

\$12.8k per day

128 hrs × \$100.00 per hr = \$12.8k

128 hours

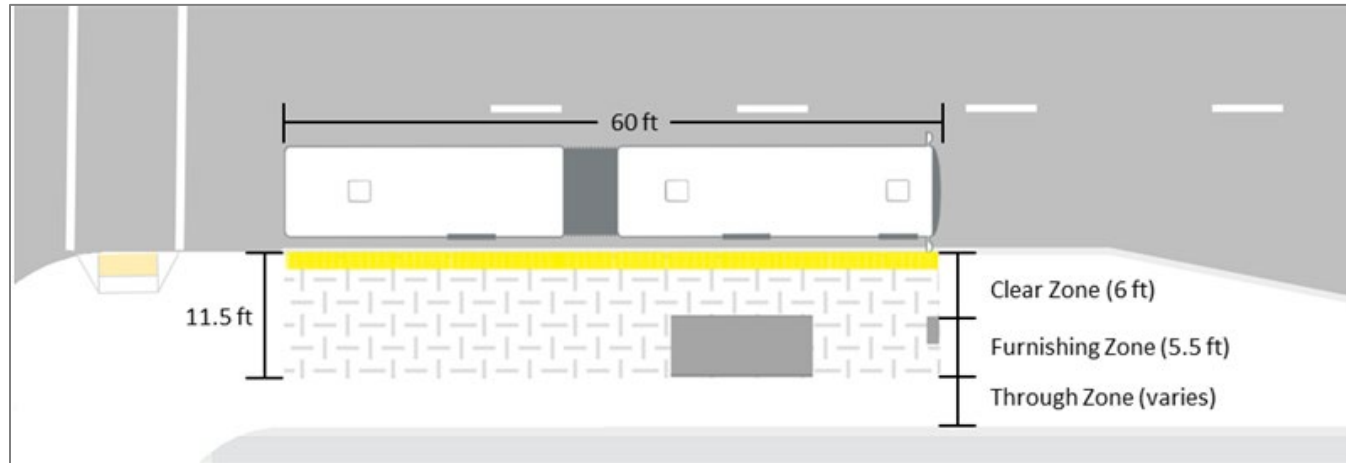

128 trip hrs + 0 layover hrs = 128 hrs

112 trips

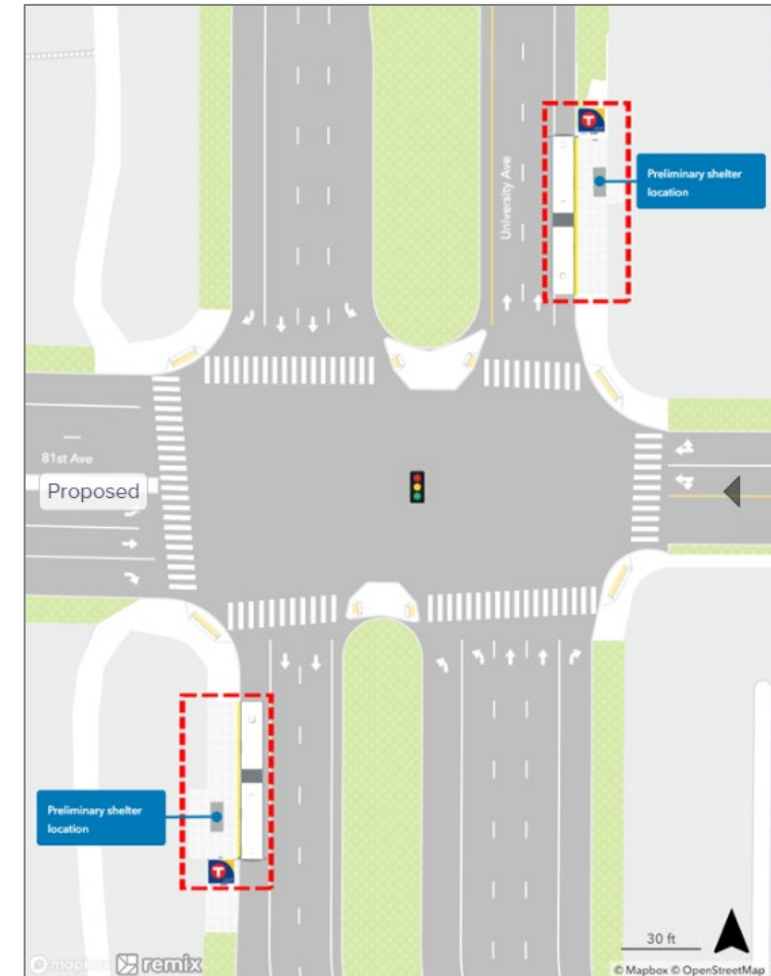

1,668 miles

SATURDAY TOTALS

Remix product: Streets

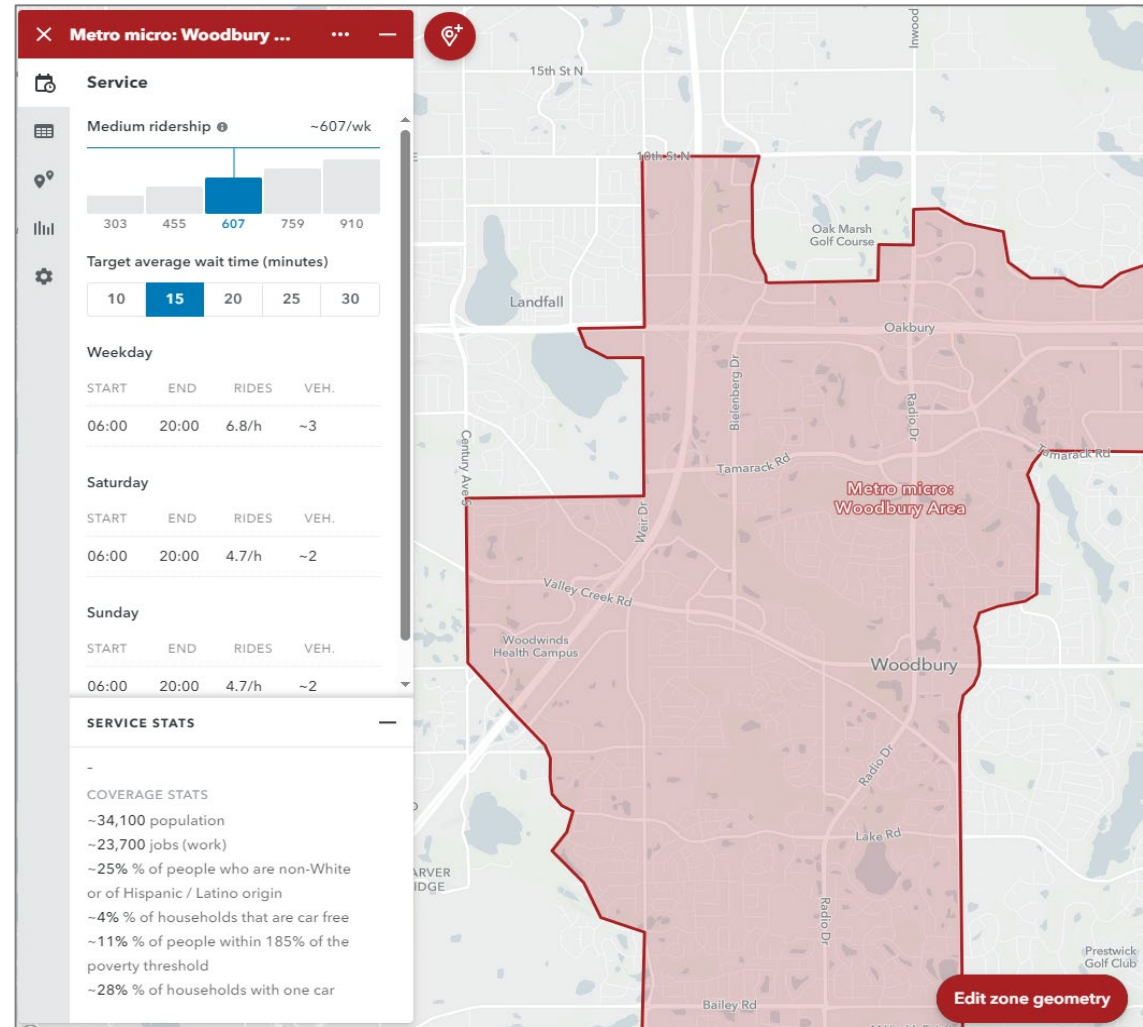

Illustrates conceptual designs for transit stations, roadways, and circulation.

Remix product: OdP (On-Demand planning)

Creates custom market zones for micro transit service and captures relevant statistics for these services.

Need for Contract Amendment

- Current contract expires 3/31/2025
- Request for Proposal (RFP) underway for a NEW contract, with award(s) by end of May 2025
- CAA to extend current contract by 3 months during RFP process to ensure continuity of services up to 6/30/2025
- Council action required for prof. service contracts >\$500,000
 - Current contract budget = \$473,250
 - CAA extension cost = \$65,625
 - Total amended value = \$538,875

Proposed Council Action

That the Metropolitan Council authorize the Regional Administrator to execute Contract Amendment Authorization (CAA) #2 for Contract 23M006 with Remix Technologies LLC for transit planning tools (Transit, Streets, and On-demand Planning) for a term no longer than three months, in the amount not to exceed \$65,625.

Next steps

- Transportation Committee meeting on 1/13/2025
- Metropolitan Council meeting on 1/22/2025
- Proposal evaluation and vendor selection under RFP
- New agreement to take effect no later than 7/1/2025
