Proposed Action

That the Metropolitan Council authorize the Regional Administrator to award and execute contract 24P271 with CMD Properties, Inc., to provide replacement batteries for diesel buses 12/24 volts systems and delivery to all Bus Maintenance Garages in an amount not to exceed \$1,316,206.

Background

Metro Transit has 747 diesel powered buses and requires a new contract to provide two types of replacement bus starting batteries and used battery disposal services. The number of batteries per bus could be either two or four depending on the type. Prices quoted are based on an estimated replacement and disposal quantity of 866 batteries annually

An Invitation for Bids was advertised on November 8, 2024. A pre-bid meeting was hosted by Council staff that outlined the solicitation requirements, discussed project specifications, and responded to plan holder inquiries. There were ten registered plan holders, eight prime bidders, one subcontractor, one plan room, and four plan holders identified as woman, minority, small, veteran, or disadvantaged business enterprises. Procurement facilitated a public bid opening on December 11, 2024, and received two bids.

The two bids received ranged from \$1,316,206 to \$1,759,161.48. CMD Properties Inc., is the low, responsive, responsible bidder and recommended for award. Annual estimates were calculated based on past use and anticipated fleet size.

Rationale

The execution of a goods and services contract exceeding \$500,000 requires Council approval.

Thrive Lens Analysis

This contract will advance the Thrive outcomes of Livability and Prosperity by maintaining fleet vehicles to provide safe, reliable transportation, making the region more economically competitive
