### Proposed Action

That the Transportation Committee adopt the attached as its 2025 Agenda Guide.

### Background

Each year the Transportation Committee approves an annual agenda guide to guide its business and agenda. Staff has prepared the draft Transportation Committee 2025 Agenda Guide with input from committee members. The proposed agenda guide includes special projects anticipated to occur in 2025 as well as policy topics. Core business functions essential to the ongoing business of the Council and information items are included. Outreach to external transportation partners and projects are also included.

### Rationale

The Transportation Committee's annual agenda guide is intended to be a guide to the committee's work that is flexible and can be adjusted.

### Thrive Lens Analysis

The Council adopted Imagine 2050 on February 12, 2025, which builds on policy direction in Thrive MSP 2040. This agenda guide for Metro Transit and Metropolitan Transportation Services is built to advance all Thrive outcomes by planning for, investing in, and operating a comprehensive transportation system that serves the region. Accountability is achieved by performing the tasks and projects identified in the annual agenda guide.
