

Thrive MSP 2040 - Forecasts as of January 1, 2023

Forecasts are periodically revised through Council action. This table includes all revisions through December 2022. Regional and local forecasts are revised separately. The sum of all local forecasts will not equal the regional forecast.

(pt) denotes part of a city that straddles a county boundary.

= SMSC forecasts are accounted separate from non-tribal balance of Prior Lake and Shakopee.

As a result, numbers presented here will differ from Prior Lake and Shakopee totals found in Decennial Census.

"2020 Actual" columns are Met Council population estimates and Minnesota DEED employment counts

* = Forecast revised by Council action, August 2015-December 2021

** = Forecast revised by Council action, January 2022-December 2022
