2021 HOUSING PERFORMANCE SCORES

Housing Performance Scores—the SCORE— assess and recognize local efforts in developing and maintaining housing affordable to low- and moderate-income households through a variety of programs and services. The 2021 SCORES reflect the policies, activities, and production of cities and townships in 2020.

SCORES are calculated annually for every city and township in the Twin Cities region. SCORES are based on data provided by Minnesota Housing Finance Agency (MHFA) and county government, which are then supplemented based on the information collected through an online survey of regional jurisdictions. The data collected in the survey is useful for understanding how cities are addressing their housing needs.

For more information about how we use and calculate *SCORES*, please visit http://metrocouncil.org/housing/theScore.
