Meeting Purpose and Agenda

PBVs have gained tremendous demand over the last several years. The offer and award process contains many variables that are important to share. No decision has been made on whether or how many PBVs Metro HRA will offer in 2022. The meeting agenda will include:

- PowerPoint presentation
 - Overview and history of the Housing Choice and Project Based Voucher programs
 - PBV offer and award policy
 - Formal written policy vs. administrative decisions
 - Project Based Voucher offer and award considerations
- Q & A
- Next steps

This information gathered in the Q & A portion will be shared with the Metropolitan Council's Community Development committee as an information item on Tuesday, February 22, 2022. The decision regarding the PBV offer and award process for 2022 will be communicated to the development community the week of February 22, 2022.
