

Regional Solicitation Policy Work Group #6

Date: 8/05/2019

Time: 1:30-4:00 pm

Room: 1A

Metropolitan Council

----- Agenda Topics -----

1. Introductions
2. Recommendations
 - a. Roadways
 - b. Trails
 - c. Transit
 - d. Equity
 - e. Unique projects
3. Draft TAB Decision Making Documents
 - a. Modal funding ranges
 - b. Maximum/minimum federal funding requests
 - c. Weighting of criteria and measures
4. Impact of Draft Changes on Geographic Balance
 - a. New Spot Mobility and Safety category for intersection projects will provide funding opportunities to a wider range of applicants.
 - b. Lowering the maximum award amount in the Multiuse Trails category will allow for a higher number of projects to be funded.
 - c. The transit expansion “new market guarantee” will ensure that at least one transit project touches Transit Market Areas 3 and 4.
 - d. Changes to the equity measure used in all application categories will give applicants in any geography a better chance of scoring higher depending on the quality of their response.
