**Open House: 6:00–7:00 p.m.**  
**Presentation to City Council: 7:00 p.m.**

Planners are looking at how to make it easier for people walking and biking to cross Hwy. 81 to get to the planned 63rd Avenue light rail station in Brooklyn Park.

Join us at this open house to learn about pedestrian crossings and discuss pedestrian issues with METRO Blue Line Extension Project staff. Following the open house, Blue Line Extension staff will make a technical presentation to the Brooklyn Park City Council.

For more information or for any individual who requires assistance to participate, please contact Community Outreach Coordinator Juan Rangel at 612-373-5338 or [Juan.Rangel@metrotransit.org](mailto:Juan.Rangel@metrotransit.org). Requests for special assistance should be made at least three business days before the meeting.

Can't make it to the meeting? Meeting materials will be posted on the project website, [www.BlueLineExt.org](http://www.BlueLineExt.org).
