COMMUNITY MEETING

METROPOLITAN COUNCIL

METRO BLUE LINE EXTENSION — Bottineau LRT

The Metropolitan Council and Hennepin County are hosting community meetings to engage the public on potential West Broadway roadway concepts.

The Metropolitan Council, Hennepin County, and the City of Brooklyn Park are working together to design West Broadway Avenue between 75th and 93rd Avenues to accommodate light rail, vehicles, bikes, and pedestrians.

This project will be discussed at the following upcoming meetings:

- **March 5:** Staff will share initial roadway design concepts and seek public input on criteria to evaluate roadway options.

- **March 19:** Participants will have the opportunity to review and comment on refined roadway design concepts based on public input.

Public input received at these meetings will help inform a recommendation for the Brooklyn Park City Council to consider and endorse a roadway concept.
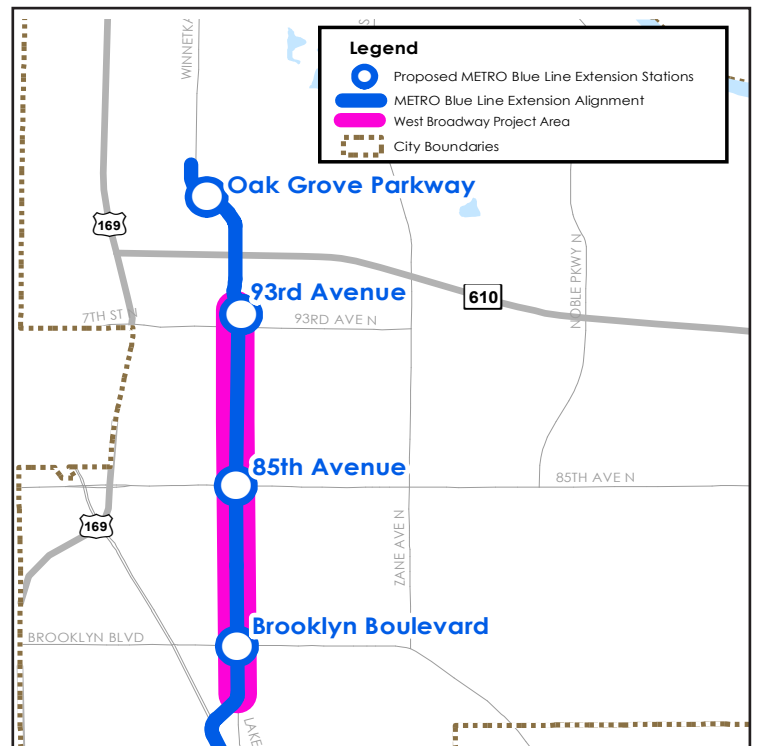

Thursday, March 5, 2015 and **Thursday, March 19, 2015** from **6:00-7:30 p.m.**
