

In general, the Blue Line Extension will avoid park property. There are three areas that are being looked at in greater detail.

Oak Grove Parkway
93rd Avenue

Evaluating Operations & Maintenance Facility layout to potentially avoid effects on Rush Creek Regional Trail property. Coordinating with Brooklyn Park and Three Rivers Park District

Golden Valley Road

Considering design refinements that may avoid impacts to Sochacki Park. Coordinating with Robbinsdale, Golden Valley, and Three Rivers Park District

Plymouth Avenue
Penn Avenue

Conducting analysis of historic park features and coordinating with the Minneapolis Park and Recreation Board
