

PUBLIC OPEN HOUSE

METRO Blue Line Extension Project Update

West Broadway Avenue Reconstruction Between 71st Avenue and 74th Avenue

Attend an open house to learn about the reconstruction of this segment of West Broadway Avenue with the METRO Blue Line Extension project.

Thursday, November 2, 2017

5:00 – 7:00 p.m.

Prince of Peace Lutheran Church
7217 West Broadway Avenue
Brooklyn Park, MN 55428

Design of West Broadway reconstruction between 71st and 74th Avenues was recently added to the METRO Blue Line Extension (Bottineau LRT) project.

This is a joint effort by Brooklyn Park, Hennepin County, and the Metropolitan Council to fully reconstruct West Broadway from the recently constructed County Road 81 project to north of Highway 610.

Suggested improvements include fully reconstructing the roadway (new pavement, striping, curb and gutter, etc.), adding multi-use paths on each side of West Broadway for walkers and bicyclists, upgrading the traffic signals, providing dedicated space for left-turning vehicles, and constructing a new storm drainage system to collect and treat runoff.

Other public and private improvements are also being considered, which could include burying overhead utility lines along with adding trees, landscaping, and lighting.

The METRO Blue Line Extension project has completed 60 percent of design and engineering for the 13-mile light rail line connecting Minneapolis, Golden Valley, Crystal, Robbinsdale, and Brooklyn Park. This open house is an opportunity to learn about the design process, review design concepts, and give feedback to project staff. Other project information will also be available including updates on LRT design issues.

If you require assistance to participate, please contact **Juan Rangel** at least seven business days before the scheduled meeting:

Email: Juan.Rangel@metrotransit.org
Phone: **612-373-5338**

See map of reconstruction area on reverse side.

Can't make it to the meeting?
Interested in sharing your thoughts?
Meeting materials and a comment form will be posted on www.BlueLineExt.org.
