

Community Open Houses Construction Information

Come to a community open house to learn about 2019 construction activities and what to expect. Metropolitan Council project staff will be on hand to answer questions.

EVENT ACTIVITIES:

- Open House: 4:30 PM – 7:00 PM
- Presentation: 6:00 PM

The Southwest LRT Project has begun construction throughout the project corridor. These open houses are an opportunity to learn about on-going activities and 2019 milestones. A brief presentation of construction progress and an overview of the LRT investment we are building will be provided during each open house.

If you can't come in person, meeting materials will be available online at: www.swlrt.org.

Anyone who requires assistance to participate should contact Southwest LRT Community Outreach Coordinator Nkongo Cigolo at least seven business days before the scheduled meeting:
