Attachments: Lenox Rail Flyer pg 1.pdf

Janet,

Thanks for the heads up. I'll make sure the labels are ready to go with the flyer. I'm guessing you'll also want the flyer tri-folded? It would be great if we could get the flyer tomorrow morning (I'll be in an offsite meeting until around 10:00) so we have some time for the printing to dry before printing the second side and folding.

Thom, I'm attaching the second page of the Lenox flyer so you can see the postage permit info and placement. We can tri-fold a couple of different ways, but this works best for keeping the permit in the right location.

Let me know if you have any questions.

Thanks,
Marney

thom, if you forward it to Marney Olson (and I've copied her on this), then she can get it taken care of. I do still think that you should send me a copy first so I can be sure everything has the right placement.

Oh, and Marney, just so you know, we are going to do a mailing to Birchwood and Bronx Park neighborhoods about a train meeting coming up. Can you please print mailing labels for both neighborhoods to have ready with this? Hopefully everything will be ready for Monday so I can pick it up (and Monday afternoon is just fine). Thanks Marney for all your help!

Janet
