Charter of the Southwest LRT
DBE & Workforce Advisory Committee

OVERVIEW

The METRO Green Line Extension (Southwest LRT) is the largest infrastructure project in the State of Minnesota’s history. Also known as the Southwest LRT (SWLRT) Project it is receiving federal funding administered through Metropolitan Council (Council) and is required to comply with the regulations under the Disadvantaged Business Enterprise (DBE) Program. The Disadvantaged Business Enterprise (DBE) and Workforce Advisory Committee (DBE & Workforce Advisory Committee) is established to advance the Workforce goals, DBE goals, Equal Employment Opportunity (EEO) regulations, and Affirmative Action (AA) regulations for the SWLRT Project.

PURPOSE

The DBE & Workforce Advisory Committee will serve to collaboratively advise the Metropolitan Council that oversees construction contractors’ efforts towards compliance with DBE Small Business and Workforce participation requirements during construction. Sharing community and industry perspectives are important to advance equity and economic growth in the communities that are impacted.

SCOPE

The work of the DBE & Workforce Advisory Committee is action-oriented and focused on outcomes. The DBE & Workforce Advisory Committee participants will:

1. Meet at regular intervals for joint EEO/AA/DBE reviews;
2. Review monthly verified reporting of DBE and Workforce achievement on construction contracts on the project;
3. Interface with the SWLRT contractors;
4. Discuss best practices and provide input on the contractor’s good faith efforts toward meeting the established goals on the project;
5. Advise on DBE and Workforce communications, outreach, and recruitment strategies related to Southwest LRT;
6. Identify potential issues and suggest strategies to increase utilization of DBE firms, and increase labor hours of women and people of color; and
7. Serve as a liaison and ambassador to advance the resources for the greater corridor community.

REPORTING

The Co-Chairs of the DBE & Workforce Advisory Committee or an appointed Committee member will provide updates on progress to the Corridor Management Committee (CMC).

RESPONSIBILITIES

Each member of the Committee is responsible for:

1. Attending the DBE & Workforce Advisory Committee meetings throughout the Southwest LRT construction.
2. Actively participate in discussions by sharing ideas and expertise to bring forth information from their communities or appointing organization.
3. Serving as a conduit for information by routinely reporting back to their communities or appointing
organizations on activities and discussions.
4. Identifying issues affecting communities impacted by the Southwest LRT construction and assist in developing strategies for minimizing those impacts.

The Metropolitan Council will prepare meeting agendas, record meeting summaries, and the distribute of meeting materials.

MEMBERSHIP

Members will be appointed for a multi-year term covering the construction period on the project. Each member organization will designate an alternative representative to attend the meeting in the case their appointed member is not able to be present. If an appointed member is no longer able to participate actively in the DBE & Workforce Advisory Committee, the appointing organization will name a replacement.

Each of the following Agencies/Organizations shall appoint 1 member:
