Potential Solutions to Evaluate

**Segment Improvements**
- Managed Lane Expansion
- Managed Lane Conversion
- One-Way Managed Expansion
- Strategic Capacity Enhancement
- IRC Access Management
- Potential Principal Arterial Corridor

**Illustrative Spot Improvements**
- Interchange Closure
- Interchange Modify/Consolidate
- R/W Preservation for Bridge

**Project ID & Priority**
- Segment: XX A/B
- Spot: XX A/B

**Managed Lane Expansion**
- **Managed Lane Conversion**
- One-Way Managed Expansion
- Strategic Capacity Enhancement
- IRC Access Management
- Potential Principal Arterial Corridor

**Under Construction**

**Non-Principal Arterials**
- Principal Arterials
- Existing MnPASS

**Does not include**
- programmed projects

**Miles**
